Deworming day

The National Deworming Day was observed on 9-2-2018 in our college, in this context Pricipal Dr.P.Rajini garu distributed Albenadzole tablets to the entire college.

An awareness lecture was given to the Students regarding the importance of cleanliness and personal hygiene.

The objective of National Deworming Day is to deworm all the students

in order to improve their overall health, nutritional status, access to education and quality of life.

Breast and Cervical cancer awareness

The cancer awareness camp was conducted by Hyderabad Youth Association, an NGO on 17-2-2018. The objective of this programme was to raise awareness and reduce the stigma of breast cancer through education on symptoms and treatment and the need for a reliable, permanent cure.

Objective

To enlighten them about various lifestyle modifications in order to prevent breast and cervical cancer and to encourage the students to consult medical personnel if they observe any symptoms.

To bring about an awareness through a questionnaire consisting of questions on demographic variables , obesity, menstrual cycle, stress, exercise and symptoms through a checklist

CANCER AWARENESS PROGRAMME

Cancer awareness programme was conducted in collaboration with swapnika reha foundation . A lecture on cancer and its treatment by radiation therapy was delivered by **Dr.P.V.Sushma, Radiation oncologist, from KIMS Hospital.**

Objective - to create Awareness about Cancer, its cure and prevention by regular health checkups. The lecture also enlightened about the effects of radiation therapy and rehabilitation of cancer patients
