5. Workshop on “ Daily used Products” 27-03-2019

Aim of the Workshop: To create an entrepreneurial idea and develop learning and experimental skills

Workshop Details: The department of chemistry has conducted workshop on “**Daily used products**” on 27-03-2019. The III year students prepared various daily used products like Talcum powder, Kajal , Kumkuma, Tooth paste, Lip balm, Lavender body oil, Perfume, B-B cream, Homemade herbal shampoo, non- acetone nail polish remover and Foundation. The students demonstrated the preparation method of those compounds and explained their uses. 50 students were participated in this programme.

Outcome of the programme: Principal, all the staff members and students of GDCW visited the workshop and appreciated the efforts of the students and staff. The department of chemistry has got very good response from staff and students for this programme. The Principal suggested implementing the small scale industry of those products.

- The students acquired the knowledge of preparing daily used products & how home made products are safe when compared to the products which are available in the market.
- The students learnt the applications & properties of various ingredients that can be used to prepare daily used products.
- It was very useful for the students to establish small scale industry and to become entrepreneurs.
- The students understood the importance of the material available at home.
- Students could learn the team work during the preparation process.
- The students have developed creative thinking and improved their communication skills.

Concept Note of Seminar

Higher Education plays an important role in the overall development of a nation. It is a crucial segment in every country as individuals play a major role in the growth of the nation by acquiring intellectual capabilities and skills. In fact, education forms the building blocks of the nation. Indeed it is medium to bring in social transformation. Our Higher Education system is the third largest in the world, next only to the United States and China. In the twenty first century it seems education sector is rapidly growing and its access to different sections in society is expanding phenomenally as individuals and nations recognize its role in empowerment. Under graduation and University education is facing a global challenge with respect to structures, institutions and pedagogic practices. The advent of online and digital learning platforms, as well as a newly 'connected world' pose challenges to traditional modes of face-to-face teaching. Yet the

8.TWO DAY WORKSHOP ON MOLECULAR BIOLOGY TECHNIQUES

A workshop is a great way to learn about a subject, learn new projects, and methods in order to better you. To strengthen the skills and better understanding of the subject in their academic environment, life Sciences Departments have organized a two day Workshop on Molecular Biology Techniques for II and III year B.Sc Students. On 13-02-2019 and 14-02-2019.

Workshop Included

- 1. Introduction to molecular Biology**
- 2. Explanation Protocols**
- 3. Preparation of Chemicals**
- 4. Isolation of DNA**
- 5. Agarose Gel Electrophoresis**
- 6. SDS-PAGE**
- 7. Operation of PCR machine and observation of amplified product**

11.WORKSHOP ON BASIC CONCEPTS OF PHYSICS

REPORT ON BASIC CONCEPTS OF PHYSICS

Physics is a natural science that involves the study of matter and its motion through space and time ,along with relative concepts such as energy and force

THE GENERAL CONCEPTS OF PHYSICS

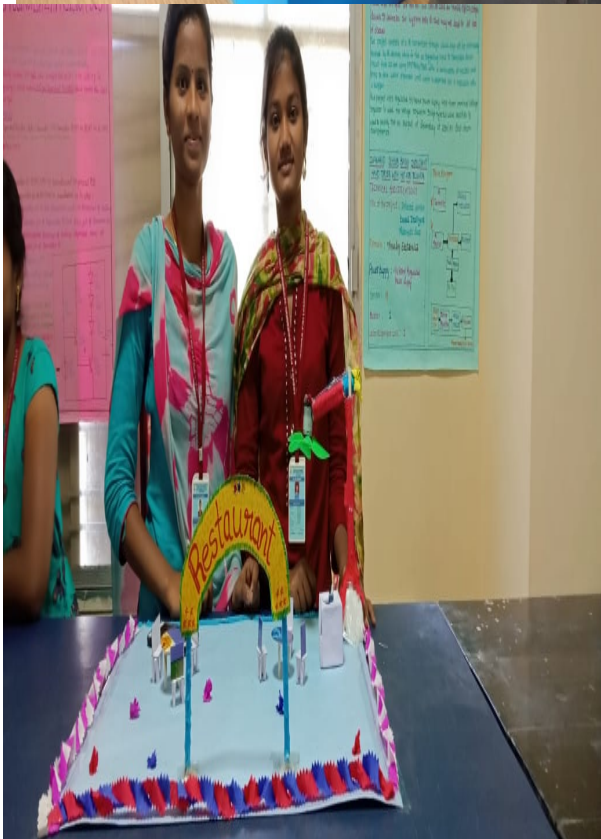

- *Newton's laws of motion
- *Mass;force and weight
- *Momentum and conservation of energy

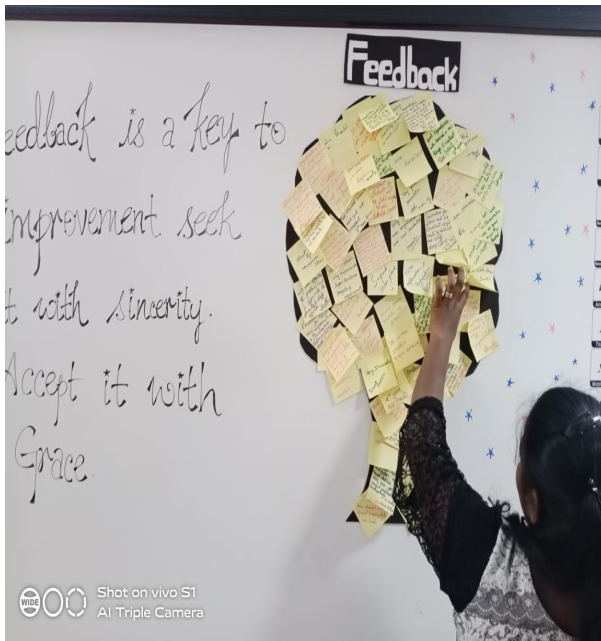

Energy, work and their relationship on the above concepts the depth of physics have organised workshop on basic concepts of physics by Agastya Foundation. Students do hands- on experiments on the concepts like surface tension ,bulging of earth concept, light properties and electromagnetic induction concepts.

14. Self Defence Programme on 05-08-2019

A self defence program was conducted on 05th August 2019 under Women Empowerment Cell for students. In this karate skills were taught by resource person Mr. Anil sir from STAR karate academy. In this students were taught special techniques to use in times of danger or threat from unknown persons.

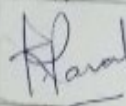

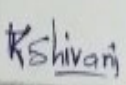

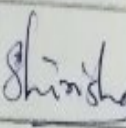

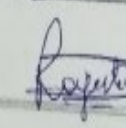

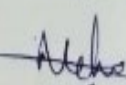

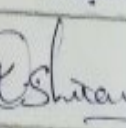

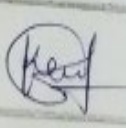

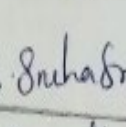

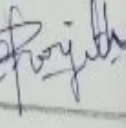

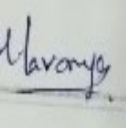

Instances of harassment against girls are prevalent in our society, many of which go unreported eventually leading to heinous crimes against girls and women. There is a pressing need to tackle such complicated situations for girls to be able to save themselves from any deleterious outcome. By making them learn self-defense we can ensure a society brimming with powerful and strong women who can protect themselves.

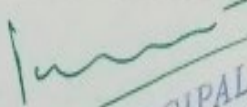

The objectives of the programme

1. To impart mechanisms of defence to protect themselves
2. To defend against undetermined situation of physical assault
3. To build self-confidence so that they can protect themselves to shape their own destiny and capacity enhancement through self-defense training.

16.WORKSHOP ON FABRICATION OF ELECTRONIC DEVICES ON 08-02-2020

REPORT ON FABRICATION OF ELECTRONIC DEVICES

Department of physics have organized a workshop on fabrication of electronic devices with MOV of innovative technologies private limited. The workshop is on hand on experience by students on different seminars based devices namely burglararan , fire detector , automatic hand drive alcohol detector etc. Students go through the writerups of the senior based projects and fabricated the devices so that the experience the use of technology for sustainable applications.

Govt. Degree College for Women (A)
Begumpet, Hyderabad-500 016. (T.S.)

As part of MoU, Work shop on Fabrication of Electronic devices was conducted in the College campus by Dr.Hameed, Director, Innovative technologies on 8-2-2020.

Students participated in the workshop and gained hands on knowledge on different sensor based projects for Sustainable Development of Society. The different names of sensor based projects are prepared and Certificates are issued to participants after the workshop. Nearly 50 students were participated in this programme.

List of projects Names

1. Automatic dustbin
2. Automatic Street Light Control System using LDR & Transistor BC 547
3. Hand dryer
4. Laptop security
5. Laser beam security
6. Solar charger

ON

ALGEBRA-ITS APPLICATIONS

BY

DR.S.UPENDER

Asso.Professor, Department of Mathematics,
Tara Govt. Degree College, Sangareddy

Department of Mathematics, Govt Degree College for Women, Begumpet, Hyd has organised a guest lecture on Algebra-Its applications by Dr.S.Upender, Asso.Professor, Department of Mathematics ,Tara Govt Degree College,Sangareddy on 14.2.2020. Dr. G.Yadagiri, Principal ,GDCW,Begumpet and the incharge of the Department of Mathematics Dr.D.Sarada Devi,Asso Professor felicitated the Guest and introduced the eminent speaker. The faculty of the Dept of Mathematics and 70 B.Sc Mathematics students have attended the programme.

The presentation of Dr.S.Upender covered the fundamental concepts found in elementary algebra and arithmetic of numbers to more general concepts . The various crucial concepts enlightened in his talk are as follows. 1) Sets 2) Binary operations 3)Identity elements 4) Inverse elements 5) groups 6) subgroups 7) Rings and Fields etc. He has further extended his presentation to both theoretical and applied algebra with a focus on practical applications. Lunch Break : 1-2 PM 2PM - 4PM : In the afternoon session, the speaker Dr. S.Upender, delivered a talk on “How to prepare for the PG Entrance and Competitive exams after under graduation”. He

has quoted some of the universities like Hyderabad Central University, Banaras Hindu University, Indian Statistical Institute, JAM etc in his presentation. The last half an hour of the session by the speaker went on clearing the queries posed by the enthusiastic students.

Felicitating the Guest by Dr. G. Yadagiri, Principal and Dr. D.Sharada Devi, HOD of Mathematics
