REPORT
ON ISRO/FOREST ACADEMY

DATED: 18th October, 2021

NO. OF STUDENTS ATTENDED: 50

On 18th October 2021, the Commerce department of Government Degree College for Womens Begumpet, organized an Industrial visit to "ISRO FOREST ACADEMY". A Batch of 50 students from the commerce departments was accompanied by C.P.Uma, Bhargavi.

With the setting up of Indian National Committee for Space Research (INCOSPAR) in 1962, Space activities in the country were initiated. Work on Thumba Equatorial Rocket Launching Station (TERLS) near Thiruvananthapuram was also started during the same year. In August 1969, Indian Space Research Organisation (ISRO) was established. In June 1972, the Space Commission and the Department of Space (DOS) were constituted by the Government of India and brought ISRO under DOS in September 1972.

Space Commission formulates the policies and oversees the implementation of the Indian space programme to promote the development and application of space science and technology for the socio-economic benefit of the country. DOS implements these programmes through, mainly, ISRO, Physical Research Laboratory (PRL), National Atmospheric Research Laboratory (NARL), North Eastern-Space Applications Centre (NE-SAC) and Semi-Conductor Laboratory (SCL). Antrix Corporation Ltd., and NewSpace India Limited, Government owned companies are set up for commercialization of R&D activities of DOS/ISRO.

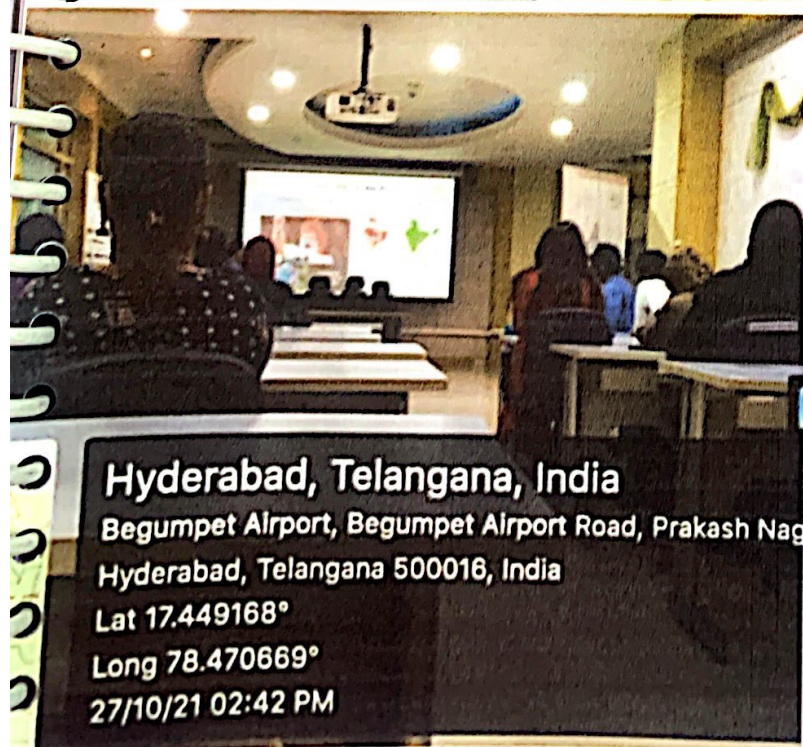

The establishment of space systems and their applications are coordinated by the national level committees, namely, INSAT Coordination Committee (ICC), Planning Committee on National Natural Resources Management System (PC-NNRMS).

The state Institute of forestry training established in 1926 in Nizamabad. It occupies 75 hectares of area, Dhullapally reserve forest and it was renamed as forest academy.

The academy is acting as a National Level Center of Excellence for training the personnel of forest department. The representative of NGO'S on various aspects of natural resource management. The National level workshops and training program including one week compulsory courses for the forestry department. It is a wonderful experience after attaining the 2 field trips ISRO and Forest Academy. We are aware of various space gadgets how it works and the wonderful academy with full of forest

Zindatilismath, Parle-G, Masqati, Coca cola Company

DATED: 11th March, 2022

NO. OF STUDENTS ATTENDED: 120

On 11th March 2022, the Commerce department of Government Degree College for Womens Begumpet, organized an Industrial visit to "Zindatilismath, Parle-G, Masqati". A Batch of 50 students from the commerce departments was accompanied by Ms. Boda. A. Rajinikala and S. Praveena

The journey commenced in the early hours of the day on a cheerful and exiting mood, First we went to Zindatilismath, then Parle-G, then Masqati and last we went to coca cola company on reaching the factory the group was divided into two smaller groups of 60 students and gave safety instruction along with some general guidelines and a code of conduct which was to be followed inside the factory premises students were then asked to proceed to a conference hall where they were briefed about the general and identical working of all the coca cola factories in the world, the history of coca cola and some interesting facts and figures it was very interactive and interesting session for all then we processed to shop floor area where the production actually takes place.

The current plant only manufactured Maaza, Sprite, Coke, Limca, Thumbs up and Minute maid. There were separate production line for each the students were witnessed all the actual processes which taken place during the production right from the treatment of the water washing glass bottles inflation of PET bottles filling of bottles capping labelling packing etc. As well as the queries of the students were also solved.

The students were suprised with the speed and accuracy of the machines and the quantity that can be produced when these machines are utilized to their optimum level.

The visit concluded by the afternoon and the group were dispersed the industrial visit was an enriching experience for the students in getting live exposure of how a manufacturing unit actually functions this visit will help students in their internship and their future pursuit to make a career in manufacturing or career enhancement.
