## WOMEN EMPOWERMENT CELL

### ANNUAL REPORT

Government Degree College for Women, Begumpet, Hyderabad is committed to ensuring Equal Rights for Women and works tirelessly to empower the students as we firmly believe in the motto "Empower Women, Empower generations".

The objectives of the Women Empowerment Cell:

- To ensure the safety and security of the girl students and to have a transparent platform for the students to vent their grievances. The students are encouraged constantly to express their genuine problems especially related to sexual harassment at work place and drop them in the Internal Committee Complaint box for redressal.
- To closely follow the public interest information released by the National commission for Women and sensitize students.
- Class Counselors actively educate students on their rights to be truly independent women and sensitize students on Laws and Legal actions for crimes against women.
- Any incident of domestic violence or crimes against women reported by students will be seriously taken up by the college with the aim of providing justice and protecting the rights of women.
