Haritha Haram - Programme

Haritha Haram was to contribute to the ecological balance and can be an eye-opener, a role model to those who neglect the environment and create environmental problems like global warming, acid rains would perish. The advantages of Haritha Haram can improve economy and social welfare due to increased number of jobs in farming and forestry. The Programme was organised by NCC, NSS units of our college and Life Sciences Department.

Telangana Haritha Haram program was launched on 5th July 2015 with the plan to plant and nurture 230 crore saplings in 4 years to reach the goal to cover the Telangana state in greenery. To achieve this it requires contribution of students in the Telangana, so it is celebrated annually and in the year 2019 the commissioner of collegiate education Sri. Navin Mittal was the Chief guest, planted few saplings.
