*OUR MOTTO: "LEARNING IS THE BEST ORNAMENT"*

## INCULCATING NATIONAL SPIRIT

India is known for its cultural heritage. Indians lead their life on the basement formed by the ancestors. In order to carry forward the heritage of India, Students are being involved in several activities which fill their attitude in the areas of cultural, regional, linguistic, communal and socio-economic diversities.

### Harmony towards cultural

- We are all passed through several cultures from centuries
- Students are encouraged to practice the performances in the form of skit or dance to reflect the culture of India
- Message oriented cultural events on the themes such as save girl child, Not to drink and drive etc are performed

### Harmony towards Regional

- State wise regionalism is followed in India
- Difference in language, attitudes, culture, organization of festivals
- Students are trained for the regional languages, dances etc through EK BHARAT SHRESHTA BHARAT etc
- They show them up in annual day and farewell day celebrations

### Harmony towards Linguistic

- Each of the state in India has its own language
- Professional students have to roam around the country to participate in National co-curricular as well as extra-curricular activities.
- They learn different state languages in order to get acquaintance with those people when they visit those places (NSS, NCC-activities)

### Harmony towards Socio economic

- As we well know multiple communities are there in our country
- Cross cultural and cross communal compatibility is the need of the hour
- Society is divided based on the economic profiles also
- Special lectures by eminent resource persons are being arranged for developing awareness among the student community.
