Dr. Afsai Osman, Its too risky to play the student around the sub station so it's not advised to construct the sub station in the college campus.

G. Savitree → NO; As our students strength is more; we need a large play ground to conduct events and for practice. And even it is not safe to play near electrical substation. → G. Savitree

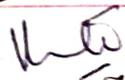

T. Swaroopa Rani - ~~There is~~ There is no place to play the students. and it is very inconvenient to the college campus. So not willing to the construction of sub station.

M. Archana - Student need play ground and it is very convenient and good place for NCC students to practice their parades. It is also useful for many walkers in kachirgedda. So this college need this play ground in into campus.

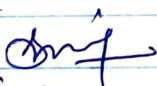

- M. Archana

V. Mamatha - Open place is very necessary to the students for their all round development. We have to encourage the women for curricular & extra curricular activities. For this reason open place is plays an important role.

Ch. Shobha Rani - I request the higher authorities of the college to stop the construction of substation on the premises of college. ^{since} our college is very strengthly and has active NSS & NCC ~~and~~ units. To carry out the regular activities of those units and to conduct sports & games we need spacious play ground. Construction of substation may lead to the ~~of~~ radiations and pollute climate, and this may lead to the deterioration of health of students.

SR. Samyami - No. There is no place to play for student - we need that land for more development for rural & students. for construct the hostels & infrastructure

(SR. Samyami)

K. Rajyalaxmi - No, students need play ground. compulsory. we need that land for the establishment of new P.G. courses. another problem is there, health problems also occurred in future.

K. (Rajyalaxmi)

P. Manekka :- No, place need for the playground for the students and N.C.C. parade. N.S.S programmes. ~~hostel~~ place use for hostel.

(P. Manekka)

Ch. Nimda Hrudaya: Not willing. b'coz playground needed and also not safe since highly vulnerable to fault.

This space is useful ~~to~~ for a multipurpose use. ~~The~~ students need play ground.

Jabeen

K. Manjula: No

NO, students must need playground. Due to ~~construction~~ of electrical substation many health problems will come.

K.

Kamees Fatima.

This would be very sad for all the faculty of students where once given place is ~~to~~ taken back now. It affects its surroundings more during its construction it may take more than a year ~~and~~

S. Pavan Kumar

also, ~~at~~ the decision of power sub station in college premises is inappropriate, the students require play ground ~~for~~ games and NCC parade, and also in future there will be the need of huge infrastructure for this college. So I request the higher authorities to take back their decision.

S.P.K.

As the college has been declared model degree college and it is the only women's college in the district it would be not good to accept to this proposal

Devi

Y. Anjaneyulu,

Try to stop power substation in this college because for future purpose means this college ~~at~~ needs play ground as well as NCC & NSS and if construct other buildings for the purpose of new courses like PG., place is not sufficient. It's my opinion.

Anjaneyulu

Dr. B. Rajani Devi

Power station is harmful to students those who are playing in the ground, so it would be not good to accept.

R.D.

Pooja Bagyar

No student must need playground due to construction of electrical substation many health problem will come.

Pooja

P. Saritha

As our college is women's college, ~~so~~ ~~no~~ no need of construction of electrical substation.

J. Swapna

It is not safety for our students. That place need for our students.

P. Lavanya

No, student need playground. It is must- useful for our students. So no need of construction of electrical substation.

Lavanya

R. Shyamala Chandra

The play ground is very essential for NCC activities & used as a play ground to conduct sports event - so it is not feasible for electric substation construction.

Dr E. Bhadrachari

I am not supporting it as it could harmful to the students in future.

Meeting

21/03/2018

A meeting was held under the chairperson of the Principal Dr. T. Sreelakshmi, today, ^{to discuss} about the NCC ANO post, at 10.30 am.

The college has received a letter from the Lt Col. NCC. KNR, on 20/03/18 at 4.30 pm stating that the college has to select NCC ANO who is willing to attend the ^{the} training in the month of June 2018, failing which the college is going to lose the NCC unit.

In view of emergency a meeting was held with the present NCC caretaker Smt. E. Kavitha, to explain the situation.

Smt. E. Kavitha expressed her unwillingness to attend the training in the month of June 2018.

In view of emergency to select new NCC ANO as per the orders of the Commissioner, it has been resolved to take dip of the eligible lecturers as ANO. The names are as follows:

- 1) Smt. E. Kavitha
- 2) Dr. J. Madhavi
- 3) Smt. Archana
- 4) Dr. I. Lavanya

The above decision has been taken to protect the NCC unit of the college. The lecturer whose name is drawn from the dip has to compulsorily attend the responsibility as ANO and go for the training in the month of June 2018.

It has been resolved to invite the Id college Principal, SRR college, to act as chairman for taking the dip for the selection of AVO.
