

The college Planning and Development Committee held on 24/11/2017 under the chairperson of the Principal, DR. T. Sreelakshmi, ^{and} the President CPDC and made the following resolution.

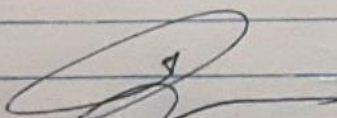

It is unanimously resolved that as per CCE Memo no. 46/PNP/2017/148 dt 14/7/2017, of the o/o the CCE, Hyd. the proposal of the TNPDC to establish construction 33/11KV substation in the college premises which is primarily located in the Kaminagar town of the play ground is not to be considered due to large strength of the students and moreover most of the students are from the marginalized section of the society. If the land is allotted there will be no play ground for the students. There will be no parade ground for the NCC and NSS activities.

CPDC meeting.

The college planning and development committee, ^{meeting} held on 29/02/2020 under the chairperson of the principal, Dr. T. Soelakshmi and the President CPDC to discuss about the construction of women police station in the college premises as per the request of commissioner of Police, Kairamngar. The following resolutions were made -

1. It causes a lot of inconvenience to the students due to the establishment of police station as law breakers and criminals will be roaming around the institution premises.
2. As there are 3 hostels i.e., SC, ST and minority it may cause insecurity to the students during night hours.
3. Due to presence of police station within the campus the parents may be reluctant to join their students into the college. Hence, it may affect the admissions.

In view of above circumstances it has been resolved not to construct women police station within the campus.
