Meeting ✓ 03.08.2017

The Staff Council meeting, presided over by Dr. U. Veera Bhadraiah, Principal has been convened on 03.08.2017 at 3 P.M in the Chambers of the Principal.

Agenda:

1. Review of Academic activities — Coverage of Syllabus.
2. Introduction of detention system for UG courses.
3. Submission / Review of work load particulars — Course wise / Section wise / Semester Wise / Individual wise —
4. Utilisation of Autonomy grant — Identification of segments for utilisation —
5. Submission of Time Table and work load particulars by the departments of Chemistry, Botany, Zoology, English and Computer Science / Applications, pertaining to AECC & SEC.
6. Utilisation of Accommodation / class Room including additional class Rooms constructed under RUSA — Identification of class Rooms for different subjects — Constitution of Blocks — Faculty wise — Regarding
7. Any other matter.

At the outset, the Principal in his opening Remarks, reviewed the academic activities and individually asked the Incharges about the coverage of Syllabus.

He further appraised the members of the various

activities / developments, that have taken place, during the last month.

He also asked all the Incharges to take all necessary steps for the effective conduct of the ensuing I Internal Assessment, Scheduled to be held W.E.F 17.08.2017.

Later, the other issues have been discussed threadbare and after due deliberations, the minutes are recorded as follows:

Item No: 02

TO Introduce detention system for UG courses only after a final decision is made by the University. Hence the decision is deferred.

The IQAC of the college shall organise an awareness Programme on CBCS and allotment of credits for the Staff of the college as soon as possible.

Item No: 03

The dept: Incharges shall submit the Workload particulars as per the norms prescribed by the Govt:/university from time to time, for onward transmission of the same to RJDCE, in the Review meeting with Principals proposed to be held on 08.08.2017.

Item No: 04.

TO Constitute a committee with the following members of the staff

to work out the modalities for utilisation of Autonomy grants. The Committee shall identify the segments for utilisation and submit the report as early as Possible.

Convenor : Sarva Shri
ALN Sastry, Assoc. Professor of Commerce

Members :

1. Dr. Ch. Srinivasulu
2. P. Ramesh
3. Md. Zakiullah
4. B.V. Prabhakar Rao
5. R. Satish
6. Dr. P. Sarveswara Rao
7. B. Mohan Rao (Office Senior Asst.)

Item No: 05

Sri Ch. Srinivas, Asst. Professor of Botany shall Co-ordinate the class work relating to AECC

Sri D. Venkata Ramana and Sri Nageswara Rao, Lecturers, shall Co-ordinate the class work relating to SEC.

Item No: 06.

The Issue has been examined in detail, and the Council, shall work out the modalities and a decision is evolved regarding

constitution of Blocks, seperately for the faculties of B.A, B.Sc & B.Com, for smooth Running of class work.

The staff Council has been authorised to take an appropriate decision in this Regard.

Members Present:

1. K. Sudarshan Reddy
2. Dr. J. Ramesh
3. P. Ramesh
4. R. Satish
5. Dr. T. Sujatha
6. B.V. Prabhakar Rao
7. A.L.N. Sastry
8. Dr. Ch. Srinivasulu
9. Ch. Srinivas.
10. D. Venkat Raman
11. T. Arun Kumar
12. P. Narasimha Rao
13. Dr B. Bandyala
14. Dr B. Dhana Manikya Reddy.
15.

II staff council meeting

15.07.1

The second staff council meeting was held On The above date in The chamber of The principal with The principal, Sri. B. Venkateshwar Reddy garu chairing The sess

Agenda

1. Funds in various accounts of the college as on 24-06-19. Details of temporary staf
2. UGC Utilisation certificates for the year 2018-
3. Repairs to PD Room.
4. Declaration of results for all 6 semesters during the year 2018-19.
5. Fencing the college premises
6. Construction of compound wall
7. Purchase of smart-phone to the principal for office use.
8. Allotment of room numbers
9. R.O. Plant and purchase of water cooler.
10. Status of college governing body.
11. Review of B.O.S., Curriculum & Syllabus.
12. ID cards for staff and students.
13. NAAC & autonomous records maintenance.

Resolutions taken:-

1. Total office subordinate posts were 18 where as working were 13. (as said) out of these 1 attender was for Exam bra where as another one was working for computer
2. Amount was paid for the purpose of acqu convocation certificates to all the passed out In the year 2017-18.

Rs. 2 lakhs for the purpose of repairs to the PD. Room.

4. Results for all the 6 semesters during the academic year 2017-18 were declared.

5. Fencing the college was unanimously resolved to be taken up from PG self finance fund.

6. Construction of the compound wall towards the by-pass road was agreed upon.

7. It was readily agreed to purchase a smart-phone for office purpose for the principal of the college.

8 Room numbers were to be allotted as 101 and so on in the ground floor, from 201 onwards in the first floor

9 It was decided to approach the MLA inorder to get funds sanctioned from him for the R.O. water plant along with water coolers to the departments.

10 It was decided to review the governing body by the following members
(a) Dr. Srinivasulu garu, Zoology
(b) Dr J. Ramesh garu, Telugu
(c) Sri Brahmaiah garu, A-O.
(d) Dr. P. Ramesh garu, Chemistry

11 The heads of departments were asked to review the syllabus, B-O-S and curriculum.

12 It was decided to purchase ID cards for both the staff and the students immediately

13 It was informed to all the staff members to maintain All NAAC and Autonomous records scrupulously.

SR&BGNR GOVERNMENT ARTS & SCIENCE COLLEGE, KHAMMAM

CBCS POLICY -2015

1. Preamble

SR&BGNR GOVT ARTS & SCIENCE COLLEGE, KHAMMAM has initiated several measures to bring equity, efficiency and excellence in the Higher Education System of country. The important measures taken to enhance academic standards and quality in higher education include innovation and improvements in curriculum, teaching-learning process, examination and evaluation systems, besides governance and other matters.

The COLLEGE has formulated various regulations and guidelines from time to time to improve the higher education system and maintain minimum standards and quality across the Higher Educational Institutions (HEIs) in India. The academic reforms recommended by the COLLEGE in the recent past have led to overall improvement in the higher education system. However, due to lot of diversity in the system of higher education, there are multiple approaches followed by universities towards examination, evaluation and grading system. While the HEIs must have the flexibility and freedom in designing the examination and evaluation methods that best fits the the curriculum, syllabi and teaching–learning methods, there is a need to devise a sensible system for awarding the grades based on the performance of students. Presently the performance of the students is reported using the conventional system of marks secured in the examinations or grades or both. The conversion from marks to letter grades and the letter grades used vary widely across the HEIs in the country. This creates difficulty for the academia and the employers to understand and infer the performance of the students graduating from different universities and colleges based on grades.

The grading system is considered to be better than the conventional marks system and hence it has been followed in the top instutitions in India and abroad. So it is desirable to introduce uniform grading system. This will facilitate student mobility across institutions within and across countries and also enable potential employers to assess the performance of students. To bring in the desired uniformity, in grading system and method for computing the cumulative grade point average (CGPA) based on the performance of students in the examinations, the COLLEGE has formulated these guidelines.

1. Applicability of the Grading System

These guidelines shall apply to all undergraduate and postgraduate level degree, diploma and certificate programmes under the credit system awarded by the Central, State and Deemed to be universities in India.

2. Definitions of Key Words:

1. **Academic Year**: Two consecutive (one odd + one even) semesters constitute one academic year.
2. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).
3. **Course**: Usually referred to, as 'papers' is a component of a programme. All courses need not carry the same weight. The courses should define learning objectives and

learning outcomes. A course may be designed to comprise lectures/ tutorials/laboratory work/ field work/ outreach activities/ project work/ vocational training/viva/ seminars/ term papers/assignments/ presentations/ self-study etc. or a combination of some of these.

4. **Credit Based Semester System (CBSS)**: Under the CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be completed by the students.
5. **Credit Point**: It is the product of grade point and number of credits for a course.
6. **Credit**: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.
7. **Cumulative Grade Point Average (CGPA)**: It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.
8. **Grade Point**: It is a numerical weight allotted to each letter grade on a 10-point scale.
9. **Letter Grade:** It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F.
10. **Programme**: An educational programme leading to award of a Degree, diploma or certificate.
11. **Semester Grade Point Average (SGPA)**: It is a measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
12. **Semester**: Each semester will consist of 15-18 weeks of academic work equivalent to 90 actual teaching days. The odd semester may be scheduled from July to December and even semester from January to June.
13. **Transcript or Grade Card or Certificate:** Based on the grades earned, a grade certificate shall be issued to all the registered students after every semester. The grade certificate will display the course details (code, title, number of credits, grade secured) along with SGPA of that semester and CGPA earned till that semester.

3. Semester System and Choice Based Credit System

The Indian Higher Education Institutions have been moving from the conventional annual system to semester system. Currently many of the institutions have already introduced the choice based credit system. The semester system accelerates the teaching-learning process and enables vertical and horizontal mobility in learning. The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning, It is desirable that the HEIs move to CBCS and implement the grading system.

4. Types of Courses:

Courses in a programme may be of three kinds: Core, Elective and Foundation.

1. Core Course:-

There may be a Core Course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

2. Elective Course:-

Elective course is a course which can be chosen from a pool of papers. It may be:

- Supportive to the discipline of study
- Providing an expanded scope
- Enabling an exposure to some other discipline/domain
- Nurturing student's proficiency/skill.

An elective may be "Generic Elective" focusing on those courses which add generic proficiency to the students. An elective may be "Discipline centric"or may be chosen from an unrelated discipline. It may be called an "Open Elective."

3. Foundation Course:-

The Foundation Courses may be of two kinds: Compulsory Foundation and Elective foundation. "Compulsory Foundation" courses are the courses based upon the content that leads to Knowledge enhancement. They are mandatory for all disciplines. Elective Foundation courses are value-based and are aimed at man-making education.

6. Examination and Assessment

The HEIs are currently following various methods for examination and assessment suitable for the courses and programmes as approved by their respective statutory bodies. In assessing the performance of the students in examinations, the usual approach is to award marks based on the examinations conducted at various stages (sessional, mid-term, end-semester etc.,) in a semester. Some of the HEIs convert these marks to letter grades based on absolute or relative grading system and award the grades. There is a marked variation across the colleges and universities in the number of grades, grade points, letter grades used, which creates difficulties in comparing students across the institutions. The COLLEGE recommends the following system to be implemented in awarding the grades and CGPA under the credit based semester system.

Letter Grades and Grade Points:

i. Two methods -relative grading or absolute grading– have been in vogue for awarding grades in a course. The relative grading is based on the distribution (usually normal distribution) of marks obtained by all the students of the course and the grades are awarded based on a cut-off marks or percentile. Under the absolute grading, the marks are converted to grades based on pre-determined class intervals. To implement the following grading system, the colleges and universities can use any one of the above methods.

ii. A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.

iii. For non credit courses 'Satisfactory' or "Unsatisfactory' shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

iv. The Universities can decide on the grade or percentage of marks required to pass in a course and also the CGPA required to qualify for a degree taking into consideration the recommendations of the statutory professional councils such as AICTE, MCI, BCI, NCTE etc.,

v. The statutory requirement for eligibility to enter as assistant professor in colleges and universities in the disciplines of arts, science, commerce etc., is a minimum average mark of 50% and 55% in relevant postgraduate degree respectively for reserved and general category. Hence, it is recommended that the cut-off marks for grade B shall not be less than 50% and for grade B+, it should not be less than 55% under the absolute grading system. Similarly cut-off marks shall be fixed for grade B and B+ based on the recommendation of the statutory bodies (AICTE, NCTE etc.,) of the relevant disciplines.

Fairness in Assessment:

Assessment is an integral part of system of education as it is instrumental in identifying and certifying the academic standards accomplished by a student and projecting them far and wide as an objective and impartial indicator of a student's performance. Thus, it becomes bounden duty of a University to ensure that it is carried out in fair manner. In this regard, COLLEGE recommends the following system of checks and balances which would enable Universities effectively and fairly carry out the process of assessment and examination.

i. In case of at least 50% of core courses offered in different programmes across the disciplines, the assessment of the theoretical component towards the end of the semester should be undertaken by external examiners from outside the university conducting examination, who may be appointed by the competent authority. In such courses, the question papers will be set as well as assessed by external examiners.

ii. In case of the assessment of practical component of such core courses, the team of examiners should be constituted on 50 – 50 % basis. i.e. half of the examiners in the team should be invited from outside the university conducting examination.

iii. In case of the assessment of project reports / thesis / dissertation etc. the work should be undertaken by internal as well as external examiners.

7. Computation of SGPA and CGPA

The COLLEGE recommends the following procedure to compute the Semester Grade PointAverage (SGPA) and Cumulative Grade Point Average (CGPA):

i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

SGPA (Si) = $\sum(C_i \times G_i) / \sum C_i$

where C_i is the number of credits of the ith course and G_i is the grade point scored by the student in the ith course.

ii. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

CGPA = $\sum(Ci \times Si) / \sum Ci$

where Si is the SGPA of the ith semester and Ci is the total number of credits in that semester.

iii. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in thetranscripts.

➢ Examination Rules

The college has devised an Examination evaluation system that is based on Continuous Assessment and End Semester Examination with a ratio of 20:80. The continuous assessment system includes conduct of Internal Assessments, assignments, seminars, group discussions, laboratory work, project work etc.

➢ Promotion and Grading System

The institution shall follow the Promotion system as prescribed by the UGC under CBCS system. The detention system as prescribed by the Parent university shall be followed. A student has to pass 50% (half of the) subjects in the academic year so as to get promoted to the next academic year. Otherwise, the student is declared to be detained and has to apply for readmission into the course in the next academic year. The Grading system and computation SGPA and CGPA have been summarized below:

Details of Award of Grades Under Choice Based Credit System(CBCS)

AWARD OF GRADE		
RANGE OF MARKS(%)	GRADE POINT	GRADE LETTER
≥ 85 TO 100	10	O
≥ 70 TO <85	9	A
≥ 60 TO <70	8	B
≥ 55 TO <60	7	C
≥ 50 TO <55	6	D
≥ 40 TO <50	5	E
<40	-	F
ABSENT	-	AB

PRINCIPAL
SR&BGNR Govt. Arts & Science College
(N.A.A.C.Accredited at B)
KHAMMAM - 507 002.

* SGPA $= \frac{C_1XG_1+C_2XG_2+.....C_n X G_n}{C_1 + C_2+.....C_n}$

Where C_1 = Credits of Individual Theory / Practical.

G_1 = Corresponding Grade Point obtained in the Respective Theory / Practical.

* CGPA $= \frac{(SGPA_I X Cr_I)+(SGPA_{II}XCr_{II})+.....(SGPA_n X Cr_n)}{Cr_I + Cr_{II}+Cr_{III}+.....Crn}$

Where $SGPA_I$ = SGPA of I Semester ; $SGPA_{II}$ = SGPA of II Semester; Cr_I= Total Credits of I Semester; Cr_{II}=Total Credits of II Semester

OVERALL GRADING	
CGPA RANGE	GRADE LETTER
8.5 – 10.00	O
7.0 – 8.49	A
6.0 – 6.99	B
5.5 – 5.99	C
5.0 – 5.49	D
4.0 – 4.99	E

AWARD OF DIVISION	
CGPA GRADE	DIVISION
7.00 – 10.0	FIRST WITH DISTNCTION
6.00 – 6.99	FIRST
5.00 – 5.99	SECOND
4.00 – 4.99	PASS

Note :

1. SGPA is computed only if the candidate passes in all the theory / practical papers with minimum of "E" grade.
2. CGPA is computed only if the candidate secures the required percentage in aggregate of course concerned.

In the light of the Covid-19 circumstances, it is decided to dispense with Detention system from the academic year 2019-20 as per the instructions and guidelines of UGC until the issuance of further orders.

➢ Examination Process

Pre-examination

Semester End Examinations are conducted at the end of each semester after the expiry of instruction as per the almanac prepared by the institution. A student will be permitted to take semester end examination if he/she has put at least 75% of attendance in each subject (both theory and practical). A notification shall be issued to the students who are desirous to appear for Semester end examinations by the controller of examinations calling applications from eligible students as per the regulation in force along with stipulated fee. The received applications are scrutinized by the examination branch. A detailed Examination Time Table will be prepared and displayed at least 15 days before the commencement of examinations.

The controller of examinations shall prepare D forms session wise and paper wise of the candidates appearing for examinations.

The controller of examinations shall make arrangements for issue of hall tickets to the eligible students who have paid the required fee as per the notification given.

The CoE shall also notify the practical examination schedule for conducting practical examinations at least one week prior to the semester end examinations. The appointment of External examiners shall be done by the examination branch from the panel of examiners submitted by the BOS concerned.
