Mentor -Mentee

The practice of having a mentor – mentee system helps in great interaction with the students on academic, personal and emotional. The mentor mentee system also enables a student centric approach.

The mentoring system is practiced in the college to promote interaction with the students at academic personal and emotional levels. All the teachers are involving mentoring and allotted 60 students. The mentor has centric responsibly to perform like

- Personal Counseling
- Identify talent & the encourage the students for holistic development.
- Monitor regulating academic performance.
- Prior to that health & nutrition's
- Resolve any issues faced by the students.

Message by the Principal

Sri Rama and Bhaktha. Gentela Narayana Rao Govt. Arts & Science College, Khammam was established in the year 1956 under private management. The then Chief Minister Sri Boorgula Rama Krishna Rao and Sri G.V. Bhutt, the then District Collector of Khammam took the initiative for its establishment along with a committee formed with the elite of the town. The primary objective was to provide higher education to the students of the marginalized sections and Tribal community of Khammam District. The College was named after the Chief Donor, Sri Gentela Narayana Rao. The College was taken over by the state government on 1-09-1959 and it acquired permanent affiliation to the Osmania University in 1972. Eventually the affiliation is transferred to the Kakatiya University, Warangal. The College attained Autonomy Status during the year 2015-16.

Under the able and missionary administration of Principals like K. Y. L. Narasimha Rao, D. Natesan, Bankat Lal Agarwal, Dr. K.S.R. Sharma and M. Ramachander Rao, the College has grown into an Identified Lead College in the district with a potential to produce a student force equipped with academic excellence and global Skills.

The motto of the College is 'Enter to Learn, Leave to Serve' with a mission to produce autonomous learners who turn out to be independent, self-contained, confident human resource to the nation. In the long history of its onward march towards imparting quality instruction, supported by technology, the College introduced Restructured and Self Finance Courses in addition to the Conventional Courses it has been offering since its inception. With the onset of technology-driven society, the College realized the need to address the global demands and began to implement instruction and training in communication, soft skills through a mechanism of its own.

The College acquired state-of-the-art technology, automation, net connectivity, added infrastructure and so on its long journey towards fulfilling its vision and mission. Many a support service is instrumental in imparting value-based, quality instruction to the young of the most marginalized sections of society who happen to be the most vulnerable.

Message by the Principal

Sri Rama and Bhaktha Gentela Narayana Rao Govt. Arts & Science College, Khammam was established in the year 1956 under private management. The then Chief Minister Sri Doorgula Rama Krishna Rao and Sri G.V. Bhutt, the then District Collector of Khammam took the initiative for its establishment along with a committee formed with the elite of the town. The primary objective was to provide higher education to the students of the marginalized sections and Tribal community of Khammam District. The College was named after the Chief Donor, Sri Gentela Narayana Rao. The College was taken over by the state government on 1-09-1959 and it acquired permanent affiliation to the Osmania University in 1972. Eventually the affiliation is transferred to the Kakatiya University, Warangal. The College attained Autonomy Status during the year 2015-16.

Under the able and missionary administration of Principals like K. Y. L. Narasimha Rao, D. Natesan, Bankat Lal Agarwal, Dr. K.S.R. Sharma and M. Ramachander Rao, the College has grown into an Identified Lead College in the district with a potential to produce a student force equipped with academic excellence and global Skills.

The motto of the College is 'Enter to Learn, Leave to Serve' with a mission to produce autonomous learners who turn out to be independent, self-contained, confident human resource to the nation. In the long history of its onward march towards imparting quality instruction, supported by technology, the College introduced Restructured and Self Finance Courses in addition to the Conventional Courses it has been offering since its inception. With the onset of technology-driven society, the College realized the need to address the global demands and began to implement instruction and training in communication, soft skills through a mechanism of its own.

The College acquired state-of-the-art technology, automation, net connectivity, added infrastructure and so on its long journey towards fulfilling its vision and mission, Many a support service is instrumental in imparting value-based, quality instruction to the young of the most needy and marginalized sections of society who happened to be the first generation literates.
