A "Sign In" button is positioned to the right of the CAPTCHA. A link for "I forgot my password" is located at the bottom left of the login box. At the bottom center of the page, there is a "Downloads" link with a downward arrow icon. The background is a dark blue gradient with a network diagram of white circles and lines, overlaid with binary code (0s and 1s) and various biometric icons such as fingerprints, eyes, and faces.

Kakatiya University was established on 19th August, 1976 to fulfil the aspirations of the Telangana people for higher education. The founding of the University was in fact a historic event in the sense that heralded a new era in the realms of higher education of this region. The erstwhile Post-Graduate Centre of Osmania University was upgraded and named Kakatiya University. The development of the University over the years has been gradual but impressive. The University was initially accredited with B+ grade by the NAAC in 2002 and reaccredited with A grade in 2008.
