Invitation

It gives us immense pleasure to invite you to participate in the Regional Workshop on "Implementation of Digital office at Institutional level"

Background

The overall objective of this workshop, devoted to e-Office implementation, is to introduce the e-services, File management system and their efficiency and effectiveness in the day-to-day administration at institutional level and further to train the personnel involved in the implementation of the office of the institutions.

This Workshop will provide participants with in-depth understanding of the various components of e-office highlighting the practical usage, starting from basics till the successful usage.

Session wise approaches will ensure that the seminar outputs are not only seen in terms of knowledge and skills acquisition, but also in implementation and reproduction of the tasks discussed in the workshop lectures.

Objectives

The workshop programme is designed to achieve the following objectives:

- ① To enable participants to get an insight on possible channels of e-services ;
- ① To enable participants to know the advantages of e-office and how it can give best possible innovative solutions for common problems.
- ① To increase awareness of participants in e-services creating a culture of openness and transparency.

① To give hands-on experience for the participants how to use the e-office and its associated management systems.

① To demonstrate e-office software and provide hands-on practice with thinking and collaboration tools and practices in moving and shaping files associated with colleges

① To brainstorm with respected participants upon the overall topic of the workshop and formulate recommendations for the follow up initiatives.

Content

The workshop program will elaborate themes focused on:

- ① Innovative e-Government solutions and its benefits;
- ① Setting up the organizational design for ICT
- ① Preparing overall and specific objectives in ICT strategy development;
- ① E-office services ;
- ① Preparedness of the available staff for the transition;
- ① Need for the change into e-office and the solutions for the foreseen problems;
- ① Understanding of ICT principles.

2021-2022 AUDIT REPORT

Commissionerate of Collegiate Education Government of Telangana Name of the college : SR BGNR Govt Degree College, Khammam. College Code : 2026		
S.No	Opinion /Remarks /Observations	Suggestions/Improvements
1	During the Audit we observed that SR BGNR GDC Khammam updating CAIMS on regular basis.	It is recommended that management has to update CAIMS on regular basis to avoid errors and for easy closure of books of accounts.
2	As per the information provided, No Cash is maintained at college level.	In case of any cash receipts or payments in future, College is advised to deposit in respective bank accounts.
3	As per the information provided, Cash received from students is deposited into the bank account.	College to ensure the regular deposit of any amount received from students is to be done so as to avoid cash embroilment.
4	Eleven Bank accounts has been maintained under SB, Bank of Baroda and HDFC. Accounts related to Vijaya Bank has been closed and balances transferred to Bank of Baroda. All transactions that occurred in Bank accounts are accounted for.	
5	No amount stands payable regarding scholarship to students, however tuition fee has remitted to Government.	
6	All necessary registers are maintained. All registers are updated regularly. All maintained registers are authorised by Officials.	So we suggest the management to maintain all registers by updating with day to day transactions so as to avoid any missing of transactions.
7	TDS Deduction and Payment are done at the level of STO itself and NO College Accounts are involved.	
8	Fee received from welfare department has been paid as tuition fee to Government.	
9	During the Audit we observed that they are not preparing Bank reconciliation statement on monthly basis.	ERS is to be prepared on a periodical basis for checking that bank related transactions are recorded properly in Cash book. ERS helps to detect errors in recording transactions and determining the exact bank balance as on a specified date. So we suggested the management to make ERS on monthly basis to know that exact balance as on date.
10	Accounts related to Vijaya Bank (402901621000005, 402901292000006, 402901292000007) have been converted to BOB(75570100000691, 75570100004742, 75570100004743) respectively during the year.	
11	All receipts for transactions from Budget are accounted and supported with vouchers.	We suggest College to maintain Vouchers in Chronological order as well as Serial number wise.
