ACADEMIC AUDIT REPORT 2016 — 2017

An Internal Academic audit team was constituted by the Institution, to conduct the internal academic audit for the academic year 2016-17 for Arts, Science and Commerce streams. Separate teams were formed to inspect the various Departments.

The detailed report is:

1. Teaching staff should actively participate in various Curricular and Co curricular activities organized by the institution as well as organize Seminars, Conferences, and Workshops to update their knowledge.
2. Action plans should be chalked out by the Departments in the beginning of the academic year so as to ensure effective Teaching learning process.
3. Teaching staff should participate in OCS/RCS, workshops/conferences/FIPs regularly to upgrade their knowledge.
4. Usage of ICT should be increased for effective Teaching learning process.
5. Students should be encouraged to do study projects.
6. Departments should encourage the faculty to involve in active research work.
7. Field trips should be organized to encourage observational skills.
8. Departments should introduce Certificate courses.
9. More number of MOUs should be signed in order to give better employment opportunities to the students
10. Collaborations with other institutions should be increased.
11. Students' progression needs to be recorded aptly.
12. Faculty should strive for awards.

Internal Quality Assurance Cell (IQAC)

Academic Audit Report 2017-2018

Framework

SR&BGNR GASC has adopted the seven criteria of NAAC for conducting its internal Academic Audit. Internal Quality Assurance Cell (IQAC) carries out Academic Audit of all the Departments of the College Evaluative Form and Annual Quality Assurance Report (AQAR).

Overview

In 2017-18, every department had been sent Evaluative Form for self-assessing and auditing and reporting.

After receiving the submissions of the annual Evaluation Reports from all the departments, the information on different criteria are collated, compiled and then the AQAR is prepared for submission to NAAC.

After receiving reports from the departments, discussed the reports in complete form as AQAR 2017-2018. Then IQAC prepared Academic Audit Report. The AQAR was submitted to NAAC on 20th June 2018.

Thorough studying of the performance of the departments, IQAC suggests that they were doing well in some academic areas, but there were some areas which remained the areas of concern.

Areas of Excellence

There was an increase in publication of research papers, participations in seminars by the teachers, initiation of social outreach programmes, and so on.

The examination results seem to be very outstanding from the perspective of pass percentage. A majority of the students who took the exams had passed.

Areas of Concern

Some of the areas for concern were:

SR&BGNR GASC(A) did not have enough research projects either from government or from non-governmental institutions/agencies. Further, its teachers as experts could not provide any consultancy to industry.

Teachers were not able to either market their expertise, which could be done through having publications in reputed journals or by participating in international conferences.

No faculty visited any country under any academic exchange programme.

On Campus and Off-Campus Placements needed to increase.

Actions to be taken

The college must promote research activities and encourage the faculty to apply for research projects.

Academic exchanges should be taken care of.

The college must organize training and guidance programmes to increase placements.

Students must be encouraged to shoulder social responsibilities.
