Dear Sir/Madam,

As you may be aware that Government of India is celebrating Azadi ka Amrit Mohotsav to commemorate 75 years of Independent India. In this regard, SEBI has also taken a few initiatives to promote financial literacy among citizens by actively engaging and educating them about financial markets.

In this regard, to create further awareness and generate interest among students regarding financial markets, SEBI is Organizing a Nation-wide Financial Markets Quiz Contest for which NISM will act as Project Manager

The above individual A Balachandram is empaneled as RP for the said activity till May 31, 2022. Colleges/Institutions are requested to allow the RP to popularize these events among the students.
