

SYNOPSIS OF EXTENSION LECTURE

Mr. Shaik Hussain, Project Scientist, Universal Eco Foundation, Pondichery has delivered an Extension lecture presentation on "*Organizations working on Biodiversity and Careers in Conservation*" at our college for our under graduate and Post graduate students and staff of Microbiology department on 26th March, 2019. In this Lecture he stressed on Endangered species of plants in India, Endemic species, Red Data Book and Rio summit Rules and Provisions with reference to India by quoting the Turmeric Royalty as an example. He also created awareness on *Peoples Biodiversity Register (PBR)* and its implementation necessity in every Gram panchayat office at Village level. After the lecture he clarified queries from the Students & Staff. This Extension lecture is very much useful for students as it is important for them to become aware about different career opportunities in the field of Biodiversity and Conservation.
