Certificate of Merit

This is to acknowledge that Sri T. JEEVAN KUMAR, assistant professor of physics, SR&BGNR Govt Degree College (A), khammam delivered an invited talk titled "Mechanics and Vector Representation" to the students of Centurion University on 29th May 2022, from 12:00pm to 1:30pm. It is one the best talks and many students interacted with him and they could learn applications of the topic. His teaching and subject skills are highly commendable.
