E-Governance Policy

Electronic governance or e-governance is the application of information and communication technology (ICT) for delivering services, exchange of information, communication transactions, and integration of various stand-alone systems between the management and other major stakeholders of the college – the students, faculty, staff, and alumni.

The primary objectives of the e-governance policy of SR&BGNR Government Arts & Science College(A) include:

- Achievement of efficiency in operations
- Promotion of transparency and accountability in transactions
- Effective communication among the stakeholders
- Development of team work and collaboration among the users
- Ease of access to information
- Compliance with the rules and regulations of the governmental nodal agencies
- Increase in institutional visibility to the external world

The e-governance system at SR&BGNR Government Arts & Science College(A) covers the entire process of the academic activities from admission to graduation and beyond. It is built around a robust enterprise resource planning (ERP) module which sets up and provides the basic data. The system is operated through a high bandwidth Wi-Fi enabled environment. The components of the system include:

1. Admissions – includes online admission process DOST and CPGET.
2. Course Delivery – includes curriculum design and development, choice of pedagogy, delivery of courses, engagement of students in co- and extra- curricular activities.

3. Evaluation and Assessment – includes conduct of examinations, evaluation, grading and publication of results.
4. Administration – includes payroll management, attendance, recruitment and selection, performance appraisal, training and development.
5. Facilities Management – includes canteen, sports arena and gymnasium
6. Library – includes purchase and storage of resources (books etc.), issuance and return, and access for research.
7. Alumni Relations – includes alumni database.
8. Institutional Website – provides a platform for accessing institutional information and for interaction of stakeholders with SR&BGNR Government Arts & Science College(A).

It is expected that all the stakeholders shall make the best use of the e-governance system of SR&BGNR Government Arts & Science College(A) to gain maximum advantage of its functions.
