Report of the activities of Committee on Discipline and Code of Conduct

SR&BGNR Government Arts & Science College (A), Khammam gives top priority to the discipline and code of ethics of its stakeholders. The Committee on 'Discipline and Code of Conduct' is formed every year with senior faculty and students to see that every stakeholder is adhered to the code of conduct framed by the institution. The Code is made available to the stakeholders

- By displaying in the college website.
- By displaying at the main notice board of the college
- By providing in Student Handbook
- By organizing various programmes to students, staff and other stakeholders

The Practice:

The implementation starts with an 'Induction Programme' to the first year students at the commencement of the academic year, after the admission process is completed. In this programme the students are explained the expected behavior in detail.

The code of ethics is mentioned and reminded to the students by the teachers during the teaching or whenever the context arises.

The teachers and administrative staff are given orientation to the ethics to be followed through various professional development programmes and also through the staff meeting conducted.

The remaining stakeholders are informed the expected attributes during the meetings.

The following are a few programmes organized by the institution related to this.
