### **MENTOR – MENTEE PROGRAMME**

We have high aspirations for all of our students and want to help them achieve and surpass their own expectations and those of the people who teach and care for them. This policy aims to identify the strategies deployed to ensure outstanding levels of mentoring and guidance.

Student mentoring in Pingle Govt. College for Women(A),Waddepally, Hanumakonda, is defined as a one-to-one relationship between a student and the mentor that occurs over a prolonged period of time. The mentor provides consistent support, guidance and concrete help to a student to provide them with a positive role model.

Some students involved in the mentoring program may be going through a difficult and/or challenging situation, a period of life in which they need extra support, or they may simply need to have another significant adult present in their life.

The goal of student mentoring is to help all students involved in the mentoring program to gain the skills and confidence to be responsible for their own futures and develop to their full academic and personal potential. Pingle Govt. College for Women(A),Waddepally, Hanumakonda, will ensure that all learners receive care, guidance and support necessary to maintain and extend their personal development and academic progress.

#### **Guidance:**

It is vital that all students receive regular and informed guidance, have a wide range of experience and understand where to get further information and advice. This will be evident through a number of initiatives, including;

- Citizenship lessons
- Individual learning reviews and target setting Career Guidance
- Guidance for Avenues to Higher Education
- To tackle various academic and stress related issues Workplace learning experiences offered
- Regular internal communications with students (e.g. through personal visits and telephonic talks)
- Thought of the day' and 'soft skill' reinforcement initiatives
- Community involvement opportunities

In some cases the relationship between the mentor and the mentee may be the only stability student knows, and the only time anyone spends quality time with them. Therefore, the Institute stipulates that a student mentor spend a minimum of one hour every week with their mentees.
