2. Objectives ofthePractice:

- (a) To sensitize students on “SHE” Study, Health, Employment.
- (b) To transform students into “SHE” Student Higher Education
- (c) To create the awareness on Scholarships for Higher Education
- (d) To instill a Positive approach to life and Transform students into responsible cum honesty citizens.

3. TheContext: Food, Shelter and Clothes Traditional Primary needs of the human beings. Study, Health Conscious and Employment is the Best way for youth empowerment. India is the biggest populated country and developing country in the world. Due to the poverty, backwardness and other social reasons number of students are dropping in school education. This is the major drawback and challenge to the nation. That’s why the department faculty had selected the “SHE” concepts practice among high school level students to create an awareness cum understanding and career opportunities with higher education.

**4. ThePractice:** The department faculty visited government high schools in Greater Warangal Municipality Area and delivering extension lectures on “SHE” concepts.

**5. EvidenceofSuccess:** Photo Copies of delivering lectures enclosed.

**6. ProblemsEncountered:**

**7. ResourcesRequired:** No financial resources needed

**8. Notes (Optional):**
