## **Convener/Organizing Secretary's Report**

Two Day National Seminar on “Recent **Advances in Chemical and Environmental Sciences**”, sponsored by RUSA and TSCHE, was inaugurated on 21<sup>st</sup> September, 2022 by Kakatiya University Registrar **Prof. B. Venkatram Reddy**. Inaugurating the seminar he stressed the need for searching for environmentally benign syntheses in chemistry. Inauguration function was presided by college Principal **Dr. G. Raja Reddy**.

Key note address is delivered by **Dr. S.Venkata Mohan**, Chief Scientist & Professor-AcSIR & **Shanthi Swarup Bhatnagar Awaree** from Indian Institute of Chemical Technology, Hyderabad.

Nearly 220 delegates registered across the country that include faculty, researchers and students from IITs , NITs and various central and state universities in addition to faculty from various government colleges. The lead speakers in the seminar include distinguished researchers and teachers **Dr. K. Rajender Reddy, Dr. S. Prabhakar** from CSIR-IICT, Hyderabad; **Dr. Shankaraiah, Dr Naresh** form NIPER-Hyd; **Prof. A. Ramchandraiaha, Prof. K. Laxma Reddy, Prof. D. Kashinath, Dr. Hariprasad, Dr. Ragasudha** from NIT, Warangal, **Dr. V. Chandrasekhar** from Telangana University, Nizamabad.

**Prof. R. Limbadri**, Chairman, TSCHE graced as chief Guest for the valedictory function. In his address, he suggested that R&D for industrial development should become a national mission encompassing all sectors of industry, research laboratories, and universities to meet the future needs of the society. He emphasized on the need of green chemistry technology and spoke about the importance of developing green chemistry to address industrial pollution.

The seminar is coordinated by **Dr Kandala Satyanarayana, Sri Alishala Ashok, Smt. K. Suneetha, Dr. Ravula Mogili, K. Jagadesh Babu**.

## Call for focus on green chemistry tech

STATE BUREAU  
Hanamkonda

Telangana State Council of Higher Education (TSCHE) chairman Prof R Limbadri observed that research and development (R&D) for industrial development should become a national mission encompassing all sectors of industry, research laboratories, and universities to meet the future needs of society. He also emphasized the need for green chemistry technology and spoke about the importance of developing green chemistry to address industrial pollution. He was addressing the valedictory programme of a two-day national seminar on 'Recent

TSCHE chairman Prof R Limbadri at a seminar held at Kakatiya Government College in Hanamkonda.

Advances in Chemical and Environmental Sciences' sponsored by the Rashtriya Uchcharat Shiksha Abhiyan (RUSA) and TSCHE at the Kakatiya Government College here. Asking chemists to think of designing new

technologies that would have a positive impact on the environment and go a long way in conserving the natural resources for future generations, Prof Limbadri also hoped new advances in chemistry would improve

food security, reduce malnutrition and improve the livelihood of the poor.

Convener and Head, Department of Chemistry, Dr B Ramesh said more than 170 delegates from Government Degree colleges, IITs, NITs, and other Central and State universities attended the seminar. Dr K Rajender Reddy, Dr S Prabhakar; Dr Shankaraiah, Dr Naresh from NIPER-Hyderabad; Prof A Ramchandraiah, Prof K Laxma Reddy, Dr Hariprasad, Dr Ragasudha from NIT, Prof Ramu Sridhar from HCU Hyderabad, Dr V Chandrasekhar from Telangana University, Nizamabad, and others delivered lectures at the seminar.

### A Brief Report of the Seminar

IQAC organized One Day National Seminar on '**Trends and Challenges in Indian Education System: Intellectual Musings**' in association with all social science departments of KGC in association and Warangal based **Society for Change In Education (SCIE)** on 4th November, 2022.

Objectives of the seminar:

1. To know the important changes proposed in NEP - 2020
2. To know and understand the trends in Indian Education system
3. To explore various pedagogical changes
4. To make online education as an effective tool of imparting education
5. To know various challenges in higher education and the way forward to overcome them.

The one day seminar was organized with four talks, two in the morning session and two in the afternoon session. The speakers were Prof. Anil Sadgopal, Prof. HaraGopal, Asst. Prof. Adama Srinivas Reddy and Asst. Prof. B. Satyanarayana. Prof. G. Hara Gopal spoke on recent trends and Challenges in the Indian higher education system as part of larger global trends and the need for reorienting the Indian education system to suit the needs and aspirations of the poor, instead of general market based needs.

Prof. Anil Sadgopal spoke on pedagogical trends at undergraduate level in foreign universities in general and in India in particular. He spoke at length as to how instruction based teaching narrows down the larger goals and purposes of learning and research urges of the students. He narrated his experiences at Indian and foreign universities and how they shaped his personality as an educationist, activist, scientist and social experimentalist. Asst. Prof. Adama Srinivas Reddy spoke on various positive and negative trends in higher education and the need for strengthening positive trends by fighting against negative trends. He stressed the need for active involvement of teachers as primary. Stakeholders to bring about necessary changes in the Indian higher education system. Asst. Professor Bairu Satyanarayana spoke on limitations of online education and the ways and means for overcoming them and making it as an effective tool of imparting education.

## OUTCOME:

1. Various trends and Challenges in Indian education system were explored
2. Students and teachers were enlightened on various pedagogical changes
3. Explored on ways and means of making online an effective tool of higher education.
4. Explored various changes proposed in NEP - 2020 and their consequences.

The main aim of the Seminar on the topic “Glimpses of Telangana History” is to enlighten the students about the Socio economic conditions of Medieval Telangana, and Tourist places of Telangana which were not covered so far in books under Telangana history.

### **ABOUT THE COLLEGE**

The Kakatiya Government College, Hanamkonda was started in the year 1972 with the solemn appeal of providing quality education at Undergraduate level to the students from the socially and economically backwards communities of erstwhile Warangal District and surrounding districts. The college has its own building in the heart of the Warangal town. The college is affiliated with Kakatiya University, Warangal. The college has 2f & 12 b status. The college has gone for NAAC accreditation twice and has “A+” grade. The college has been one of the best and most sought after institutions in Telangana state. The college has both Undergraduate courses and 05 Postgraduate courses.

### **ABOUT COLLEGE LOCALITY: WARANGAL**

The Warangal was once the seat of the Great Kakatiya rulers. There are many historical monuments and festivals like Thousand Pillars temple, Warangal fort, Ramappa temple, Laknavaram lake, Pakhal lake, Bhadrakali temple, Medaram Jatara, Siddhesvara temple, Padmakshi temple and Pandavula gutta etc. The Warangal District is covered with lush green forests and attracts several tourists for Eco Tourism.

## ABOUT THE DEPARTMENT

The Department of History, Kakatiya Government College, Hanamkonda is noted for its dedicated team of teachers. It offers courses for U. G. level. It has been teaching to the students who came from socially and economically backward classes and areas.

**30.07.2022**

The Women Empowerment Cell Organized a “*Workshop on Breast and Cervical Cancers: Risk Factors, Symptoms and Lay beliefs*” on 30.07.2022 in the Virtual Room. The objective of the programme is to enable the participants to know the reasons, symptoms and medication of the diseases. The In charge Principal Dr. A. Sanjeevaiah explained that ignorance and low medical facilities caused the upsurge of Breast and Cervical cancers cases in rural areas.

The Resource Person *Dr. Mayuri, MS (OBG) (MRCOG) fellow in Infertility Obstetrician & Gynecologist* explained the lay beliefs, knowledge and attitude towards Breast and Cervical Cancers. She also explained the symptoms of cervical cancer.

Dr. Mayuri, MS (OBG) (MRCOG) fellow in Infertility Obstetrician & Gynecologist explaining the symptoms for Breast and Cervical cancers in the Workshop on 30.07.2022

While discussing the risk factors she explained the Infection by the *human papilloma virus (HPV)*, which is the most important risk factor for cervical cancer. HPV is a group of more than 150 related viruses. Some of them cause a type of growth called **papillomas**, which are more commonly known as warts.

Dr. Mayuri emphasized importance of immune system. She said that, immune system plays a crucial role in eradicating cancer cells and reducing their growth. In women with HIV, a cervical pre-cancer might develop into an invasive cancer faster than it normally would.

Doctor mentioned the multiple reasons for cervical cancer and explained that women who have had 3 or more full-term pregnancies have an increased risk of developing cervical cancer

While answering the queries of the participants, Dr. Mayuri explained the gynecological signs and symptoms that may require medical attention and urged the need for *Breaking the Silence*

## WORKSHOP ON NUTRI CEREALS

07.09.2022

The Women Empowerment Cell organized a Workshop on Nutri Cereals on 07.09.2022 in the virtual room. The objective of the programme is to enable the students to know the nutritional values of millets. Speaking on the occasion Dr. A. Sanjeevaiah, Vice Principal stressed the importance of coarse cereals. He mentioned that the green revolution concentrated on high-yielding and high-input crops like wheat and rice, which led to policies that favoured their cultivation.

Further, Research, extension, and market assistance were provided for these crops. As a result, on the supply side, the area planted for fine grains increased while the area planted for coarse cereals decreased.

Dr. A. Sanjeevaiah, Vice Principal explaining the *Nutritional Values in Millets* on 07.09.2022 in connection with *Nutrition Monthly Celebrations*

Dr. G. Leelavathi Assistant Professor of Hindi explaining the *Reasons for Anemia in Women* on 07.09.2022
