4. ONE DAY SEMINAR ON INTERDEPENDENCE BETWEEN MICRO AND MACRO ECONOMICS

27-12-2019

One day Seminar on *Interdependence between Micro and Macro Economics* was conducted by the Department of Economics on 27-12-2019. The main objective of the programme was to enable the students to know the differences between Micro and Macro analysis, the failures of Micro analysis during the recession period and the interdependence between both the disciplines.

Dr. Rajeer Assistant Professor of Commerce explained the interdependency between them and also explained the concept of “*thrift paradox*”. Dr Ayesha shaik Assistant professor of Commerce discussed the assumptions of Micro economics and how they were proved to be wrong in Great depression period. The in charge of the department Ch. Raju, faculty members Dr. G. Shyamu, Dr. B. Nainadevi, Resource persons Dr. J. Rajeer, Dr. Ayesha shaik, Dr. Satyanarayana and student participated in the seminar.

Dr. J. Rajeer Assitant Professor of Commerce explaining the interdependence between Micro and Macro Economics on 27-12-2019
