BRIEF REPORT

SEMINAR ON SUPER CONDUCTIVITY& ITS APPLICATIONS

A seminar on **Super Conductivity & its Applications** was conducted in the Department of Physics on **19.02.2020**. Sri.Md.Yousuf Hussain Ansari, In Charge, Department of Physics, presided over the programme. In the beginning, Dr.P.Venkateshwarlu, Principal gave his message. 145 students participated in the programme.
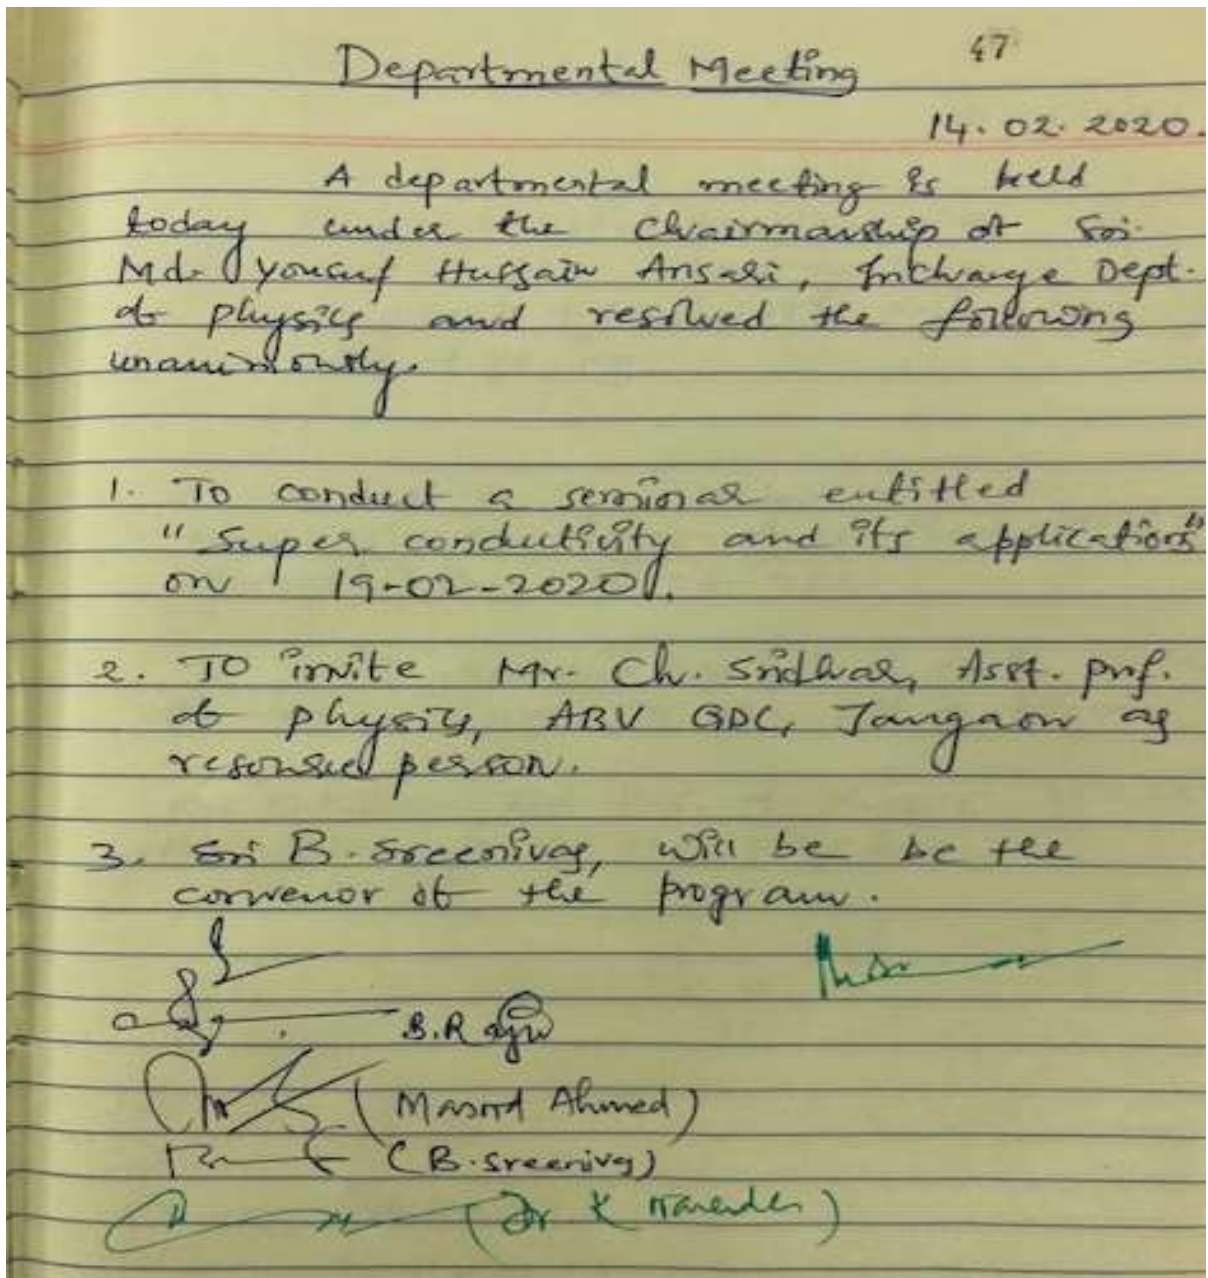

Sri. Ch.Sreedhar, Asst.Prof of Physics, ABV GDC Janagaon, explained the phenomenon of Super conductivity and its Applications in a very simple and smooth way.

All the faculty members of the Department of Physics took part in the successful conduct of the programme. Sri.B.Sreenivas, Asst.Prof.of Physics presented the vote of thanks.

Departmental Resolutions

Departmental Meeting   47

14. 02. 2020.

A departmental meeting is held today under the Chairmanship of Sri Md. Yousuf Hussain Ansari, Incharge Dept. of physics and resolved the following unanimously.

1. To conduct a seminar entitled "Super conductivity and its applications" on 19-02-2020.

2. To invite Mr. Ch. Sridhar, Asst. prof. of physics, ABV GDC, Jangaon as resource person.

3. Sri B. Sreenivas, will be be the convenor of the program.

1. ONE DAY WORKSHOP ON PC HARDWARE & NETWORKING
06-08-2019

Kakatiya Government College

The Department of Computer Science & Applications is organizing the following event.

Name of the Event: Workshop

Date: 06-08-2019

Venue: Computer Center

Topic: **PC Hardware & Networking**

Head

DESCRIPTION:

The workshop is intended to provide opportunity for upgrading the knowledge in the areas of Networking and Hardware Troubleshooting. It helps students to become a professional network and hardware engineer and assists you to design a network and troubleshoot hardware. This workshop provides sufficient training to handle different computer networks and hardware troubleshooting.

EVENTS: The following events were conducted in the workshop. The faculty members of the department acted as resource persons of the workshop.

Hardware and Software/components Handling & Holding sensitive equipment, Installing Motherboards, Choosing Cabinet & Cooling considerations, Installing CPU, Assembling of different parts of computers. CMOS, Setting BIOS configurations, Installation of OS (Windows/Linux) and Application / Utility Software, Handling Viruses, Networking Basics: Different Wires, Hubs, Connectors. Punching / Crimping Tools, Switches, and I/O Sockets, Cross Wires and Direct Cabling, IP & Setting up a LAN

Student's Participation in Practical Session
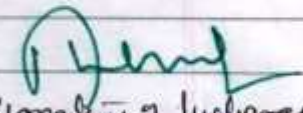

Department Resolution

Date: 05-08-2019

The staff meeting held on today in the presence of Department Incharge to discuss the following agenda.

1. Review of the previous meeting agenda.

2. To conduct Assignments for I, II, III year students.

3. To conduct class seminars for I, II, III year Students

4. Resolution to start workshop in this month

WORKSHOP EVALUATION FORM

Title of Workshop: PC Hardware & Networking

Date: 06.08.2019

In order to continue to improve the quality of educational programming, the Department of Computer Science & Applications, would appreciate you taking a few minutes of your time to complete this evaluation. Your comments and suggestion will help us to plan future lectures to meet your educational needs.

1. The workshop organization was   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

2. The workshop instructor was   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

3. The workshop overall content was   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

4. The workshop presentation methods were   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

5. The workshop topic coverage and relevance were   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

6. The workshop activities were   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

7. How would you rate the usefulness of the content?   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

8. How would you rate the hands-on activities?   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

9. How would you rate the presenter's knowledge in the subject?   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

10. What is your overall assessment of the event?   [4]
    1. Poor   2. Good   3. Fair   4. Excellent

2. ONE DAY WORKSHOP ON PC ASSEMBLY AND MAINTENANCE

20-08-2019

The department of Computer Sciences organized a *One day workshop on PC Assembly and Maintenance* on 20-08-2019 in computer lab. The objective of the workshop is to enable the students to understand the fundamentals of PC Assembly. The in charge of the department Dr. D. Suresh Babu, faculty members and students participated in the workshop.

Learning Outcomes:

The student will assemble / setup and upgrade personal computer systems; diagnose and isolate faulty components; optimize system performance and install / connect peripherals.

Expected Job Roles: Service Technician

OUTLINE OF THE WORKSHOP

S. No	Topic
1.	Basic of computer, I/O devices
2.	Monitors (CRT/ LCD/LED),Memory
3.	Hard Disk (SATA, USB, Solid State)
4.	Study of different types of Mother Board
5.	Study of different Buses
6.	I/O Ports, graphic cards
7.	Installation of printer / modem /OS /scanner
8.	BIOS set up
9.	Recovery & Trouble shooting
10.	Preventive maintenance & Anti Virus
11.	Networking Fundamentals

WORKSHOP EVALUATION FORM

Title of Workshop: _PC Assembly and Maintanance_

Date: _20.08.2019_

In order to continue to improve the quality of educational programming, the Department of Computer Science & Applications, would appreciate you taking a few minutes of your time to complete this evaluation. Your comments and suggestion will help us to plan future lectures to meet your educational needs.

1. The workshop organization was   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

2. The workshop instructor was   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

3. The workshop overall content was   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

4. The workshop presentation methods were   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

5. The workshop topic coverage and relevance were   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

6. The workshop activities were   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

7. How would you rate the usefulness of the content?   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

8. How would you rate the hands-on activities?   [3]
   1. Poor   2. Good   3. Fair   4. Excellent

9. How would you rate the presenter's knowledge in the subject?   [4]
   1. Poor   2. Good   3. Fair   4. Excellent

10. What is your overall assessment of the event?   [4]
    1. Poor   2. Good   3. Fair   4. Excellent

3. ONE DAY WORKSHOP ON NETWORK ADMINISTRATION

26-08-2019

The Department of Computer Sciences conducted a *Workshop on Network Administration* on 26-08-2019. The objective of the workshop is to enable the students to know the Computer networking. Computer networking is a foundation of every business. There is a lot of scope for career opportunities in the field of Networking. Hence this workshop helped the students to choose the Computer Networking Administration as a career option.

The in charge of the department Dr. D. Suresh Babu, faculty members, D. Rajkumar, V. Ramesh, K. Ramesh and Raghottham Reddy acted as facilitators of the workshop.

V. Ramesh Lecturer in Computer sciences explaining about LAN in the workshop on 26-08-2019

V. Ramesh Lecturer in Computer Science explaining about WAN (Wide Area Network)

Student's Participation in the Workshop on 26-08-2019

The Department of Computer Science & Applications is organizing the following event.

Name of the Event: Workshop

Date: 26-08-2019

Venue: Computer Center

Topic: Network Administration

Head

Outline of the Workshop

There are several essential components in a network:

1. **Switches**
2. **Access Points**
3. **Servers**
4. **Clients**
5. **IP Addresses**
6. **Routers and Firewalls**

1) **Switches** and access points connect the devices or "clients" in a network so they can talk to each other. Each client has a numerical label known as an IP address.

2) **Servers** host and send information in the form of web content, applications and files to client devices. They use IP addresses for direction.

3) **Switches**: Switches are pieces of hardware that connect devices in a network. They allow information to be sent between PCs, printers, mobile devices, servers and other devices quickly and efficiently.

4) **Access Points**: An access point is a hardware device that allows Wi-Fi enabled devices to connect to a network without cables. It can be built into a router or connected via Ethernet cable.

5) **Servers**: A server is a high-powered machine that dispatches data to devices in a network.

6) **Clients:** Clients include any computer hardware or application in a network that requests data from a server. The most common types of network clients used by businesses are desktops, laptops, tablets, phones, lights and AI devices.

7) **IP Address**: IP addresses are unique identification codes for network devices that tell servers where to send data. A device must have an IP address to allow other devices to establish a connection with it.

8) **Routers and Firewalls**: A router acts as the gateway to your network. It also allows all networked computers to use one internet connection.

9) **A firewall** is the most basic level of network security.

Job opportunities for Networking

There are many jobs in the networking field to choose from, including:

- ✓ Network specialist

- ✓ Network technician

- ✓ Network administrator

- ✓ Network analyst

- ✓ Network manager

- ✓ Network engineer

- ✓ Network solutions architect

ONE DAY WORKSHOP ON QR CODES FOR PLANTS
20-02-2020

The Department of Botany conducted *"One day work shop QR codes for Plants"* on 20-02-2019. The main objective of this workshop was to enable the students to know the complete information of the plants through QR (Quick Response codes). The in charge of the department Dr*. B. Vijayapal Reddy* explained the benefits of QR codes. He also mentioned that technology and communication advancements are reaching their maximum point. Every day, new technological advancements are developed, which has led to a profound transformation in every part of our lives, including the field of education. He urged the students to update their knowledge to cope up with these new innovations.

Dr. M. Rambabu mentioned that in digital era, even a common people can also easily scan the code and know the details of the plants. The QR codes were laminated and attached to the plants for the viewers. The duplicate QR codes are kept ready in the college for references. The plants are protected with regular monitoring by the staff and students.

A. Ramana Rao explained the novel idea of pasting the QR (**Quick Response)** **c**ode. Students can use any scanning app available on the phones to get all the information they need to know about the tree, from its scientific name to its medicinal value. He mentioned that there are about 650 trees in the campus. However, in the first phase, it was decided to paste the QR codes to 214 trees that were planted in the last five years.

Dr. Omkar explained the purpose of creating awareness about trees and their importance. He also mentioned that generally, it was observed that only botany students or enthusiasts know about the features of a tree and recognize the characteristics of it. These barcodes will provide information to even the common person.

The faculty members and students participated in the workshop and gained knowledge.

Resource Persons

1. Dr.B.Vijayapal Reddy, Assistant Professor of Botany

2. Dr. M.Rambabu ,Assistant Professor of Botany

3. A.Ramana Rao ,Assistant Professor of Botany

4. Dr.K.Omkar, Assistant Professor of Botany

Department In charge Dr. B. Vijayapal Reddy, A Ramanarao, Dr. K. Omkar and students observing the QR codes in the botanical garden in practical session of the workshop on 20.02.2020

QR CODES FOR IDENTIFICATION

New technique has been introduced to identify the plants in the college campus ie **QR** code system

Department Resolution

Department Meeting

4ᵗʰ Feb' 2020.

Dept. of Botany held a meeting in the chamber to discuss the following items and taken the following resolutions.

1) Extension lectures
2) Field Trip
3) Syllabus completion for Inline Exams
4) Impending NAAC
5) one day workshop on 'QR' codes for plants

Resolutions

1. It is proposed to conduct two Extension lecture in the month of February.

2. Faculty visited Forest Dept. and made preparation for field visit in 3ʳᵈ week of February to 'Forest Geneticist R&D', Forest Dept. Hanamkonda & 'Seed Technology Lab', forest Dept. Hanamkonda

3. It is proposed to complete the syllabus for 1ˢᵗ Internal Exams by 3ʳᵈ Week Feb and shall conduct 1ˢᵗ Internal Exams from 24-26ᵗʰ Feb.

4. The amount ₹ 10,000/- released by Principal shall be used for the following items.
   1. Flexis and posters
   2. Specimens & Slides
   3. Plants
   4. Botanical Garden.

5. It is Proposed to conduct Survey on Medicinal plants under biodiversity Research Methodology.

6. It is proposed to visit a nearby Protected area in the month of February after the NAAC completion.
