Action Taken Reports

Academic Years from 2016 – 2017 to 2020 - 2021

**ACTION TAKEN REPORT OF FEEDBACK FOR THE
ACADEMIC YEAR 2020-21**

The feedback collected from students, teachers, parents and alumni is analysed and the action taken report is as follows:

- Even though the affiliating college has little role to play in curriculum framing, the faculty of the college, as members of BOS of affiliating university, are involved in the process of content improvement of the syllabus. For the enrichment of the curriculum, the feedback from the teachers is communicated to BoS of the university concerned.
- Online free coaching classes for PG CET of state universities and coaching for CUCET/JAM for central institutes of higher learning were conducted
- IQAC and academic and examination committee have taken all the measures for the timely completion of the syllabus by conducting online classes and uploading you-tube lessons to cope with pandemic situation. The departments prepared study material and shared through students' WhatsApp groups.
- Library purchased new textbooks, reference books for the benefit of the students.
- Through the online induction programmes, the students are enlightened about the Programme Outcomes (Pos) and Course Outcomes (COs) which are uploaded on the website
- Teachers make all out efforts to relate the curriculum with real life situations by encouraging the students to take up more and more study projects.
- To address the concerns of the parents, more skill oriented certificate courses and online training programmes were conducted.

ACTION TAKEN REPORT OF FEEDBACK FOR THE ACADEMIC YEAR 2019-20

The feedback collected from students, teachers, parents and alumni is analysed and the action taken report is as follows:

- With regard to content enrichment of the curriculum, IQAC conducted meeting with all the departments to arrive at necessary changes and improvements of the courses concerned and forwarded the same to the BoS of the University.
- The departments conducted coaching classes for PG CET/ JAM, on the request of the students.
- The completion of the syllabus was regularly monitored by the IQAC and the in-charges of the departments concerned.
- The digital online resources, new textbooks, reference books and study material were added to the library and the students are encouraged to make use of them.
- Teachers made students to be familiar with ideas of POs and COs and their expected outcomes. For this purpose, induction programmes were conducted by the departments concerned.
- For experiential learning, more practical training sessions were designed and conducted by the faculty.
- In tune with the aspirations of the parents for more job oriented courses, the college with help of Telangana Academy for Skill and Knowledge (TASK) and the college placement cell have taken up programmes for enhancing employability skills and organized job melas.
- On the advice of the alumni for preparing the students for competitive exams and for other jobs, the college conducted special coaching classes for them.

ACTION TAKEN REPORT OF FEEDBACK FOR THE ACADEMIC YEAR 2018-19

The feedback collected from students, teachers, parents and alumni is analysed and the action taken report is as follows:

- Content of syllabi needs enhancement in terms of quality for which the faculty of the college, as members of BOS of affiliating university, are indirectly involved in the process of content enhancement. For curriculum enrichment, add-on / certificate courses are conducted.
- All the teachers were instructed for timely completion of the syllabus
- The students are encouraged to go for higher education and research for which all the departments conducted special coaching classes.
- New textbooks, reference books were bought for the timely benefit of the students and also study material was supplied.
- Teachers made students to be familiar with ideas of POs and COs and their expected outcomes. For achieving the expected Course Out-comes of the courses, the students were encouraged to read other reference books on the subject concerned.
- To promote experiential learning, more practical training sessions were designed. Teachers paid more attention to practical sessions and made their teaching more experiential by conducting field trips and study projects.
- To address the desire of the parents for more job oriented courses, the college with help of TSKC and the college placement cell have taken up programmes for enhancing employability skills and organized many job melas.
- On the advice of the alumni for preparing the students for competitive exams, the college conducted special coaching classes for preparing Panchayat Secretaries entrance examination through competitive examination cell.
