## Annual report for the Academic Year 2016-17

### Introduction

Kakatiya Government College, Hanamakonda was inaugurated on 01.08.1972. The college has 5 acre of land in the heart of the city Hanamakonda which is considered to be the next to Hyderabad in terms of educational opportunities. Today the college is the most sought after institution in Telangana with the student strength of 3500. It offers 33 UG courses and 06 PG Courses through CBCS system. The college follows the standard guidelines in maintaining transparency in all aspects such as online admissions, digital classrooms for ICT enabled teaching, consistent academic initiatives, research and innovation in curriculum, well equipped labs, well-stacked college library and departmental libraries, well organised mechanism for student support and governance.

College has well established structure and system for encouraging sports, co-curricular and extra-curricular activities, besides CCE initiatives like JIGNASA and YUVATARANGAM. Refresher courses, Orientation courses and workshops are regularly made available to the staff to motivate and refresh their knowledge. Helping hand through outreach plans, participation in community affairs, concern for ecology, skill oriented programmes, Computer Courses, Career Guidance and Placements, Women Empowerment, MOOCS, TSKC, NSS, NCC, Talent Hunt Activities are part of the college system.

### Vision and Mission

*“The vision of the college is to empower the students through quality education with integrity of character and becoming a center of excellence with autonomous status through holistic multi-disciplinary approach”*

Mission is to impart knowledge to the students by adopting modern and innovative techniques, establishing facilities for skill enrichment and research promotion and bring out innate talents of the students through participative and experiential learning. The institution aims at promoting and inculcating the core values like respect for the rights, differences and dignity of fellow human beings, honesty and integrity in thought and action, conscientious pursuit of excellence and accountability for actions and promoting capabilities in work-life balance abilities.

## **Quality Education**

Perspective plan provides the long term road map for all the developmental activities and for the governance of the institution. Staff council, which is empowered to take all administrative decisions, is formed with all the in charges of all departments.

Various committees comprising all the faculty members monitor day to day activities of the college. The incharges of the departments oversee their departmental activities.

ICT tools are extensively used and the digital content and video-lessons are made available to enrich curriculum delivery.

Various skill oriented programmes through TASK and the certificate courses through departments are conducted.

Students are encouraged to participate in field study projects to promote research culture and experiential learning.

## **Value Oriented Education**

The institution celebrates international and national days of importance, besides anniversaries of great people.

The institution organizes out-reach community programmes by involving the students through NSS and NCC and also by all other departments

Women empowerment, Eco-club, Consumer club wings conduct various sensitization programmes

## **Student Support System**

Institution ensures that all the eligible students get scholarships provided by the government and other non-Governmental organizations.

PGCET and JAM coaching classes are conducted through Competitive Examination Cell to help the students to go for higher studies.

The mentor-mentee system is in place to provide all sorts of support to the students.

## **Holistic multi-disciplinary approach and flexible system**

The college offers flexible and innovative curricula that include credit-based courses under CBCS pattern. There is transparent mechanism for admissions through DOST online process. Bucket system is introduced to facilitate the student to choose one subject/course of his choice from each of the four subject buckets not exceeding three for the programme he/she opts for. This system provides more flexibility and multiple disciplines in choosing his undergraduate programme. For example, a student can pursue BA program with mathematics, psychology, computer appliances etc as one of the courses.

The institution has conducted various academic, curricular and co-curricular activities through departments, and agencies and clubs during the academic year 2020-2021. The following are some important events.
