Feedback Process of the Institution

The Kakatiya Government College, Hanumakonda has an inbuilt process of the collection of feedback from various stakeholders at the end of every academic year. The feedback collected is analyzed and appropriate resolutions are taken in the staff council meeting to overcome the short cuttings observed in the feedback scores. Such resolutions are intimated to all the staff members of the college. The action taken report is placed on the college website.

As per the general practice of the affiliating university the feedback scores are not required to be communicated to the university. However as per the policy of the Commissioner of Collegiate Education of Telangana State an academic audit is conducted every year under the supervision of the academic audit team members appointed by C.C.E. The feedback scores and the resolutions are communicated to the C.C.E through the audit team members.

Action Taken Reports on Feedback for the year 2020 - 2021

ACTION TAKEN REPORT OF FEEDBACK FOR THE ACADEMIC YEAR 2020-21

The feedback collected from students, teachers, parents and alumni is analysed and the action taken report is as follows:

- Even though the affiliating college has little role to play in curriculum framing, the faculty of the college, as members of BOS of affiliating university, are involved in the process of content improvement of the syllabus. For the enrichment of the curriculum, the feedback from the teachers is communicated to BoS of the university concerned.
- Online free coaching classes for PG CET of state universities and coaching for CUCET/JAM for central institutes of higher learning were conducted
- IQAC and academic and examination committee have taken all the measures for the timely completion of the syllabus by conducting online classes and uploading you-tube lessons to cope with pandemic situation. The departments prepared study material and shared through students' WhatsApp groups.
- Library purchased new textbooks, reference books for the benefit of the students.
- Through the online induction programmes, the students are enlightened about the Programme Outcomes (Pos) and Course Outcomes (COs) which are uploaded on the website
- Teachers make all out efforts to relate the curriculum with real life situations by encouraging the students to take up more and more study projects.
- To address the concerns of the parents, more skill oriented certificate courses and online training programmes were conducted.
