**(21-08-2017 to 16-09-2017)**

The department of economics provided a remedial coaching for BA III failed students. A special attention was taken for their academic performance by conducting special classes and providing study materials. In our observation it was found that students who didn't not study economics as one of the optional at + 2 levels were facing difficulties in understanding Micro and Macro economic analysis.

Hence by providing study material and conducting daily tests difficulty levels of the students were minimized by the department. Y. Narendra, Dr. M. Ravinder and Dr. A. Venkata Ramana were the mentors for the programmed. Total 50 students of BA II & III participated in the coaching.

Dr. A. Venkata Ramana Asst. Professor providing remedial coaching for slow learners
