## Remedial Coaching

(21-08-2017 to 16-09-2017)

The department of economics provided a remedial coaching for BA III failed students. A special attention was taken for their academic performance by conducting special classes and providing study materials. In our observation it was found that students who didn't not study economics as one of the optional at + 2 levels were facing difficulties in understanding Micro and Macro economic analysis.

Hence by providing study material and conducting daily tests difficulty levels of the students were minimized by the department. Y. Narendra, Dr. M. Ravinder and Dr. A. Venkata Ramana were the mentors for the programmed. Total 50 students of BA II & III participated in the coaching.

## Group Discussion

(15-09-2017)

The department of economics organized a group discussion for BA final year students on the topic of “Demonetization –An evaluation”. The topic itself created a sensation in the country; the students actively participated in the discussion. Some of students opined that demonetization was helpful in reducing the black money at the same time some of other students explained that this hasty decision might have a negative impact on the economy. The faculty members Y. Narendra, Dr. M. Ravinder and Dr. A. Venkata Ramana acted as facilitators for the programme.

## **Field Trip**

**(14-12-2017)**

To study the rural credit system, a study tour was organized by the department on 14-12-2017 to Pathipaka village of Shyampet mandal in Warangal district. The objective of the tour was to study the institutional and non-institutional credit sources and also the accessibility of banking facilities to villagers.

It was found that still villagers were in the clutches of land lords and money lenders for their loan requirements and paying exorbitant interests. As the coverage of institutional credits resources like banks and cooperative societies was very limited and their loan amount was not sufficient to meet the requirements, the villagers mainly depended on local brokers (Dalal) for their loans. Total 130 students of BA groups participated in the tour and interacted with the villagers. The faculty members Y. Narendra, Dr. M. Ravinder and Dr. A. Venkata Ramana acted as facilitators for the tour.

## **Student's Seminar**

**(5-01-2018 to 8-01-2018)**

The department of economics conducted student's seminars from 5-01-2018 to 8-01-2018 to analyze the study tour finding of Pathipaka village in Room no.48. The students were taken to the field visit to study the rural credit system in Pathipaka village. Observation, questionnaire method was used to find out the results. The students analyzed their findings and presented in the seminar.

It was found that efforts of institutional agencies were not sufficient to meet the loan requirement of the villagers. As a result of this, they depended on the local money lenders and land lords for their loans. Some extent SHGs succeeded in providing loan facilities to the villagers. The students also observed that villagers were spending their loans on nonproductive activities like marriages, festivals and social customs. As their repayment capacity was low, they were unable to break the vicious circle of debt.

Total 80 students participated in the seminar. Y. Narendra, Dr. M. Ravinder and Dr. A. Venkata Ramana provided guidance for the seminars.

## **Extension Lecture**

**(09-01-2018)**

An extension lecture was organized by the department on 9-01-2018 to provide additional awareness on “Demonetization”. The department felt that extensive information on the effects of demonetization was needed to the students.

Hence an interactive subject expert’s talk was organized by the department. Sri. K. Surya Rao Asst. Prof of Economics, GDC Narsampet was the resource person of the programme. He explained the merits and demerits of the government monetary policy.

Y. Narendra, Dr. M. Ravinder and Dr. A. Venkata Ramana encouraged the students to interact with the subject expert. Total 80 students were present in the programme.
