**1. Name of the Department:** Economics [kgceconomics2018@gmail.com](mailto:kgceconomics2018@gmail.com)

The department of Economics was established since inception of the college i.e. 1973 with a noble objective of providing quality education to the students by imparting knowledge and inculcating proper attitudes towards life and society. Economics as a subject is an important and useful branch of knowledge for proper understanding of the various economic activities of a nation. Economics plays a vital role in the life of mankind. With reference to the views of economists and nature of the subject our department has framed certain objectives which enable the students to understand and analyze the functions of the economy.

**2. Vision:** To enable the students to understand the concept of sustainable economic development and inculcate the values of economic equality, social justice among the students to maintain the social harmony.

**3. Mission :** To Involve the students in teaching learning process by student's research projects / field trips/ group discussions and student's seminars to understand the socio – economic conditions of the society in a better way.

**4. The Objectives:**

1. To enable the students to understand the basic concepts of economics.
2. To provide theoretical explanation and practical solution to various economic problems.
3. To promote the idea of global citizenship by making awareness on think globally and act locally.
4. To provide comprehensive understanding on economic problems such as inflation, trade cycles, theories of distribution, international trade and social accounting.
5. To equip the students to analyze the problems and theories of economic development.

## 10. Memorandum of Understanding

An MOU was signed between the department of Economics and Consumer's club of Warangal district on 4/7/2017 to create awareness on consumer's rights. Every year national and international consumer's days are being celebrated by the department with the help of consumer club. On this auspicious occasion elocution, essay competitions and awareness rallies are organized by the department. By using consumer's kits demonstrations and experiments are made to create awareness on food adulterations.

Creating awareness on 'consumer protection' on International Consumer Day March 15<sup>th</sup> 2018.

## **11. Details of the Programmes/ Courses discontinued**

In higher education main courses are designed by the apex body of collegiate education i.e. CCE, Commissioner of Collegiate Education, Hyderabad. But from 2017 onwards CCE is considering the suggestions of lecturers while framing the courses. Hence new courses have been introduced from 2018 academic year. HEML course was discontinued in 2018 academic year due to low strength in that section. Economic subject is omitted from JMC (Journalism and Mass Communications) in 2018 academic year and reasons were not known.
