DEPARTMENT OF BOTANY UNIVERSITY COLLEGE, KAKATIYA UNIVERSITY, WARANGAL & DEPARTMENT OF BOTANY KAKATIYA GOVT. COLLEGE, HANAMKONDA		
FOR THE DEVELOPMENT OF ACADEMIC COOPERATION IN QUALITY EDUCATION		
<p>The broad-spectrum objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programmes which serve to enhance the intellectual life and cultural development on both the platforms of the students studying in these public funded institutions / organizations, and for the contribution for increased Academic Cooperation in Quality Education for the benefit of the students studying in both the institutions.</p> <p>1. The two Educational Institutions will:</p> <ul style="list-style-type: none">a) cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests;b) promote appropriate joint study/research projects and joint courses of study, with particular emphasis on government/NGO funded projects;c) endeavor to encourage students and staff to spend periods of time in both the institutions. The exchange of students will be dependent on the execution of a formal Student Exchange Agreement prior to commencement of the activity;d) conduct short term courses/ value added courses/add-on courses/field projects/ internships, as mutually agreed in writing between the parties prior to commencement of the activity;e) conduct environmental/academic/sports and games /cultural projects, a mutually agreed memorandum in writing between the parties prior to commencement of this activity; <p>2. Facilitate the exchange of undergraduate students. Such exchanges may take place for a period normally agreeable to both the institutions without any detriment to the academics of the students in their course study. The academic standing of such students shall be determined by both the institutions. Exchange students will be accorded the rights and privileges of students in accordance with the regulations of both the institutions relating to students and will be admitted under the terms and conditions relevant to their standing instructions in vogue. Accreditation for the academic work carried out by an undergraduate student during the period of study shall be decided on mutual understanding for the benefit of the students.</p> <p>The aim of the Memorandum of this Understanding shall be to achieve a broad balance in the respective contributions and benefits of the collaboration, and this shall be subject to periodic review by both the institutions.</p>
