## TRAINING CLASS ON MASK MAKING TO THE STUDENTS FOR DR.BRR GOVT. DEGREE COLLEGE, JEDCHARLA

03 FEBRUARY, 2021

The world is in mask because of the covid-19 pandemic. So, all the people are in need of wearing mask and they need to change it time by time. For this purpose, they have to buy many masks, so, they must spend lot of money and time to visit the shop and need to go out also.

To avoid this type of financial burden and going outside the home to public places for shopping masks, A training program is organized in **DR.BRR GDC** on how to make a mask with their own with available cotton cloth at home. As **WHO** is also suggesting to use a 3 layered mask, the students are given training in preparing their own 3 layered masks.

**Ms.K.Subhashni**, **Asst. professor** of this college is the trainer and taught how to cut the cloth, and attach the 3 layer of mask. She taught and demonstrated lively to the student by stitching in front of them, The students are also asked to prepare a mask in the training.

Many students prepared their own masks in the training and learned well to prepare masks for their family members too.

This program is presided over by **Dr.Appiya chinamma** the principal of the college and she applauded highly and admired it as the need of the hour.

The students enjoyed and learned the preparation of masks and thanked the college for such a beautiful training and need for the hour.
