Grievance Redressal Cell

The Grievance Redressal Cell (GRC) of Dr.BRR Government Degree College, Jadcherla is tasked with looking into complaints made by any student and resolving them as needed. Students can express their complaints about any academic or non academic issue on campus through the suggestion box. The cell strives to address the concerns of the students in a timely manner.

Objectives:

The Grievance Redressal Cell has been established to resolve complaints from students in a timely manner in order to further strengthen the relationship between students and the institution by providing them with all necessary facilities to their complete satisfaction in order to uphold a conducive environment for academic teaching and learning.

Mechanism of the Grievance Redressal Cell:

- The Grievance Redressal Committee (GRC) shall only take into account individual complaints of a particular kind from students.
- Following receipt of the complaint or application, the committee will quickly decide on the case's merits, the scope of additional inquiry, and discussion.
- It is necessary that the GRC act as a mediator between the complainant and the defendant who is the target of the complaint.
- Within a fair amount of time, GRC shall consider resolving complaint

Procedure for lodging complaint:

- The students can lodge their grievance through a grievance redressal box.
- The students may feel free to drop the writing (can be anonymous if required) in the grievance redressal box.
