K.Geetha

Asst professor of chemistry

Mentor mentee system is an essential component for a successful career of student as it bridges the gap between the faculty and student. Mentoring provides guidance, encouragement and better environment to the student in the college. Mentor mentee system is a regular practice in Dr. BRR Government Degree College. As a part of this system I have been allotted MPC English medium 1st year students.

I have provided regular counseling to the students particularly who are lagging behind.

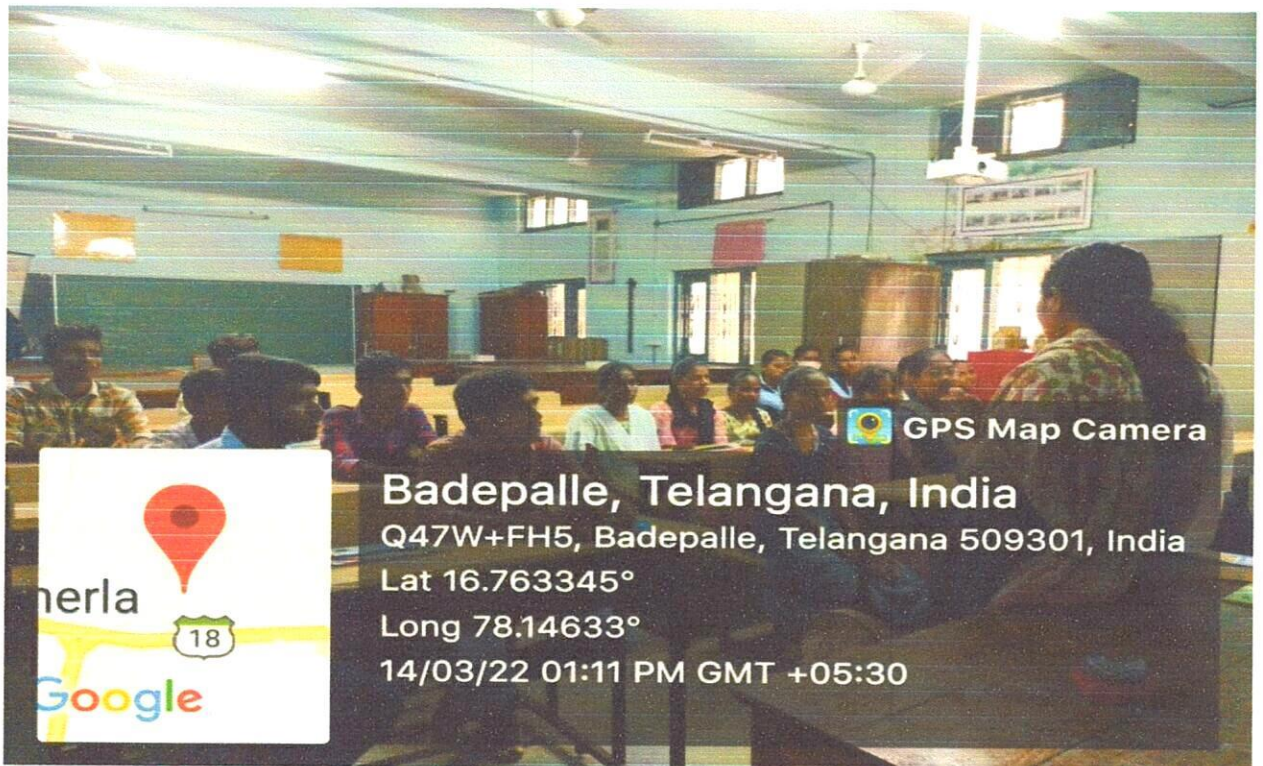

Counseling is given mainly on following issues.

1. Regular monitoring of students health and keep advising about taking balanced diet.
2. Advising students about regular attendance stressing on importance of education.
3. Slow learners were given guidance to improve their studies.
4. Advised students to improve communication skills and soft skills.
