ACTION TAKEN REPORT 2017-18

IQAC conveys a meeting at the end of every academic year with all the in-charges of the Departments under the Chairmanship of the Principal to bring the feedback analysis collected from all the stakeholders in to their notice with a request to find out the possibilities for effecting changes in the courses offered by their respective departments and also to improve the academic environment and other aspects concerned to their departments.

The in-charges of the departments in turn have conducted a meeting in their respective departments and explored the possibility of changes in the syllabi and introduction of certificate courses and skill development courses to focus on employability skills in accordance with the demands of the stakeholders. Subsequently, departments have come up with a plan to introduce Certificate Courses to focus on employability skill development. A separate meeting was held by IQAC with the Principal and the members of the specific Departments which introduced Trans-Disciplinary employability/skill enrichment courses. The minutes of the meeting is duly approved for the benefit of the student community.
