HireMee CSR Assesment

Dear All,
Greetings of the Day.!

It was pleasure talking to you today. As discussed please find below the details of our CSR Program. HireMee is an initiative for social good and is funded by Vee Technologies, a company from the Sona Valliappa Group, as a corporate social responsibility effort.

Hiremee CSR program is a perfect solution to the academia to cope with the challenge of employability. Through this we aim to help recruiting firms discover diamonds among students in rural and urban colleges without any cost to the students, recruiters or the colleges.

The HireMee assessment and recruitment platform takes away all the hard work and efforts on the part of colleges in assessing their final year students aspiring to launch themselves on a road to employment. The platform seamlessly links students, recruiters and colleges through online assessments to facilitate the recruitment process. Recruiters uses the HireMee scorecard to shortlist and hire candidates.

Eligibility: Final year students from degree, diploma, engineering, humanities, sciences, commerce , business management and Pharmacy

Test Duration: 100-minute artificial intelligent (AI proctored) computer/App-based-test Test
