Department of Botany, Dr.BRR Government Degree College,  
Jadcherla  
And  
Community Health Centre, Atmakur**

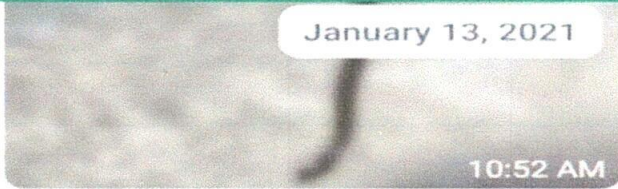

As per MoU between the Department of Botany, Dr. B.R.R. Government Degree College, Jadcherla and Community Health Centre, Atmakur, Dr. B. Sadasivaiah, Assistant Professor of Botany of this college helping the Doctors in identifying the bitten Snake so that doctors can treat according to the type of snake bitten. When snake bitten victims are rushed to the hospital, doctors approach the Dr. B. Sadasivaiah and send the bitten snake photo through Whatsapp. Sometimes Dr.B.Sadasivaiah reaches to the hospital and identify by seeing the killed bitten snake or snake bite mark. This is useful to doctors in the treatment of snake bite.

The photos of conversation between Dr. B. Sadasivaiah and doctor through Whatsapp are depicted.
