

Detailed Report
on
Collaborative Quality Initiatives
with
Other Higher Educational Institutions

Educational Collaboration between the Institutions has been proved evidently useful to the students community for the year of 2020-2021.

Based on the Collaborative agreement between the Government Degree College Arts & Commerce Nagar Kurnool and the Govt. Degree College (Science) , Nagar Kurnool, Nagar Kurnool Dist., the educational and Quality initiatives have been implemented and executed scrupulously. As a result of collaboration, extension lectures were conducted, educational inputs are given to the students, students are provided the benefits of activities, and teaching faculty are temporarily adjusted keeping in view of the educational needs of the students. On the whole, the students of both the colleges have really derived the educational inputs and made use of the teaching faculty knowledge in the process of enriching and improving their learning skills.

In this process of educational collaborations, both the Institutions have been radiantly benefited.
