HARITHAHARAM -TREE PLANTATION

NSS – UNIT – I, II, III, IV & NCC

DATE: 15-07-2017

Important Guests

1. Dr. Govind Bhushan - Principal
2. Sri J. Bhakthavatsal Reddy, Vice- Principal
3. NSS Programme Officers.
4. All faculty members and students.

National Forest Policy of India envisages a minimum of 33% of the total geographical area under forest / tree cover to maintain environmental stability and ecological balance; that are vital for sustenance of all life-forms, human, animal and plants. Telangana Ku HarithaHaaram, a flagship programme of the Telangana Government envisages to increase the present 24% tree cover in the State to 33% of the total geographical area of the State. The thrust areas to achieve the above are two-fold; one, initiatives in notified forest areas, and the other, initiatives in areas outside the notified forest areas. The first objective is sought to Telangana Ku Haritha Haaram, a flagship programme of the Telangana Government envisages to increase the present 24% tree cover in the State to 33% of the total geographical area of the State. The thrust areas to achieve the above are two-fold; one, initiatives in notified forest areas, and the other, initiatives in areas be achieved by a multi-pronged approach of rejuvenating degraded forests, ensuring more effective protection of forests against smuggling, encroachment, fire, grazing and intensive soil and moisture conservation measures following the watershed approach. Major fillip is sought to be given to Social Forestry for achieving the second objective. In the areas outside the notified forest, massive planting activities will be taken up in areas such as; road-side avenues, river and canal bank, barren hill, tank bunds and foreshore areas, institutional premises, religious places, housing colonies, community lands, municipalities, industrial parks, etc.

Based on the above importance, the NSS units and NCC of this college started TelanganakuHaritha Haram in the premises of college by involving students. Guests explained the importance of the plantations. The Chief Guest and other guests planted various types of plants. Our guests have also explained about the importance of management and watering of the plantations. Our principal also taught us how to plant them and then they watered the plants. The Guests and Our College Principal and Volunteers planted several Saplings and then watered the saplings. An Awareness Rally was conducted by NSS Volunteers. In this Program NSS Program Officers and Staff members are involved.

Awareness Programme on Anti Ragging

17.07.2017

NSS Unit-II & WEC

In 2009, the University Grants Commission of India imposed regulations upon Indian universities to help curb ragging. Ragging is a subset of bullying. Today Rukiya Bhanu WEC Convener discussed the problems of ragging. She took various examples of ragging in colleges and universities and the adverse effects of that. Students asked that if an inconvenience caused by same gender also comes under ragging or not? The doubt was cleared by Rukhya Bhanu Asst professor. Some students shared their own experiences too.

Infact ragging is almost curbed in this area. Senior, Junior bullying issues in the college premises is not at all seen. We can understand that real problem occurring with gender in sensitization. That is why Women Empowerment Cell decided to organize awareness on Gender Sensitization, Gender Bias and Gender based violence.

Contents of the talk: -

1. Introduction of ragging
2. Dress code ragging
3. Verbal abuse
4. Physical abuse
5. Sexual abuse

International youth leadership training

At Kanha shantivanam, Chegur, Near Shadnagar

13-08-2018 to 18-08-2018

Raamachandra mission

12 NSS Volunteers Under contingent leader N.Subhashini P.O UNIT-2 from Dr.BRR Govt Degree College were selected and attended International Youth Leadership Training Program held at Kanhashantivanam, Chegur, Near Shadnagar from 13-08-2018 to 18-08-2018 organized by Raamachandra mission.

In this training daily Meditation, Interactive Sessions in morning and evening, Online interaction with Da ji and Radio talks from different countries were there. Volunteers and program Officers were given task like cleaning the premises swatch bharath digging 1000 pits , filling manure and keeping plants near the pits to plant.

On 15th August plantation of 1000 plants in a minute program was organized. That was really awesome. All the Volunteers, POs and rest of meditators were made to stand in front of pits. Each one was given one pit. Daji Was also part of plantation. Meeting Daji in person kept volunteers on cloud nine. After Plantation Every one sitting at the plant and meditating for the wellbeing of the plant was an awesome experience. Entire program was drone shoot.

Volunteers met people from different countries in person, listened to many eminent persons, interacted online with many made them acquiring necessary knowledge to be a confident person.

PLASTIC ERADICATION IN TIRUMALAI AH GUTTA, WANAPARTHY

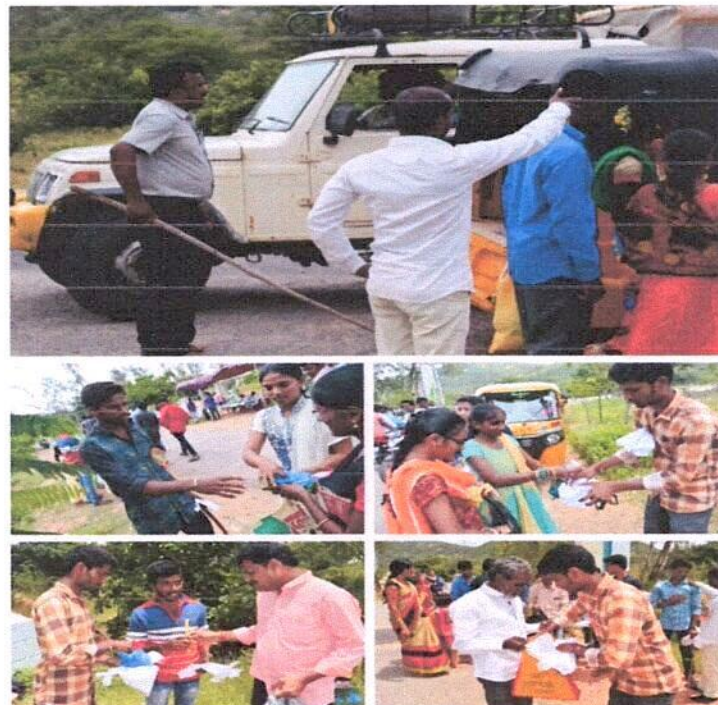

1-9-2018

NSS Unit – III & Eco Club

The holy site of Tirumalaiah Gutta is situated close to Wanaparty town on a hill in the forest. Hindus observe the holy month of Sravana Masam, which began on August 12 and ended on September 9, as a sacred period. Devotees come to this temple and offer prayers to god every Saturday during this month. All of the pooja materials are carried by the devotees in plastic bags, and after the pooja is finished, the devotees discard the plastic bags into the forest, where they pile up and take many years to decompose. These plastic bags are being eaten by forest animals as well, which is dangerous for the animals.

In this regard, NSS Unit III, the Eco club, and Association for Biodiversity Conservation and Development organization collaborated to conduct awareness campaigns on the dangers of plastic. At the temple's entrance, volunteers took the plastic bags left behind by worshippers and replaced them with cloth bags donated by local contributors. Additionally, by gathering plastic bags left outside the Temple, volunteers cleaned the environment.

Number of students participated: 15

Awareness program on Senior Citizens Legal Act's

21-08-2019

NSS UNIT I, II & IV

NSS Unit-I, II & IV organized Senior Citizens Legal Act's Awareness program in collaboration with District Legal Service Authority. All the staff members, NSS Units and volunteers involved. Secretary and Senior Civil Judge of District Legal Authority, Chandra Shekar explained senior citizens legal acts and advised students that everyone should take care their elders.

Real experiences of old age people made students cry. Many elderly people from near by old age homes were made part of the program. One senior citizen shared his worst experiences of being legal illiterate. His own sone back stabbed him by grabbing his land. Being an illiterate in both the ways that is in education and legality he cursed him self for the bad accured. But now he got assurance that definetly. he is going to own his land. Later Eye and Health Checkups camp was organized under the supervision of NSS Program Officers N.Subhashini, R.Ramadevi and Krishna Chandra Keerthi.

Awareness on Gender equality

NSS Unit II, III & WEC

26.08.2019

Being a co-education institute, it is our most important duty to aware students about Gender Equality. UNICEF says gender equality "means that women and men, and girls and boys, enjoy the same rights, resources, opportunities and protections. It does not require that girls and boys, or women and men, be the same, or that they be treated exactly alike. Gender equality depends on gender sensitization. N. Subhashini Asst Prof of Telugu discussed various issues on Gender sensitization. It includes

What is meant by gender sensitization?

Why is gender sensitization important?

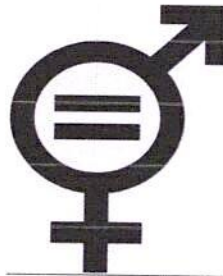

What is the impact of gender sensitization?

What are the causes of gender sensitization?

What is the purpose of sensitization?

What is a sensitization example?

Number of Students Attended: 231

DEATH ANNIVERSARY OF SWAMY VIVEKANANDA

4-7-2020

NSS Unit -III

Swami Vivekananda (12-01-1863 – 4-7-1902), was an Indian Hindu monk, philosopher, author, religious teacher, and the chief disciple of the Indian mystic Ramakrishna. He was a key figure in the introduction of Vedanta and Yoga to the Western world and is credited with raising interfaith awareness, and bringing Hinduism to the status of a major world religion. He is role model for youth and his sayings are powerful. The Death Anniversary of Swami Vivekananda conducted by Dr. B. Sadasivaiah, Programme Officer by inviting followers of Swami Vivekananda. A team of followers, who donated the statue to the college (Sri Venkatrami Reddy and his team) garlanded Swami's statue in college premises and planted saplings in Telangana Botanical Garden. Number of participants attended: 10

PROF. JAYA SHANKAR BIRTH ANNIVERSERY

6-8-2020

Kothapalli Jaya Shankar (6 August 1934 – 21 June 2011), popularly known as Professor Jaya Shankar, was an Indian academic and social activist. He was a leading ideologue of the Telangana Movement. He fought for a separate state beginning in 1952. He often stated that unequal distribution of river water was the root cause of the separate Telangana movement. He was the former Vice-Chancellor of Kakatiya University and an activist in the Separate Telangana Movement.

With this background, there is a need to celebrate the birth and death anniversary of Professor K. Jaya Shankar. Hence the death anniversary of Professor K. Jaya Shankar in the college Under the supervision of Dr. B. Sadasivaiah, Programme Officer a great tribute to Prof. Jaya Shankar, a renowned Telangana Activist. Mr. Srinivasa Rao, Head, Department of Microbiology and Non-teaching staff of college were also involved.

Awareness programme on COVID -19 Corona Virus Campaign

25-08-2020

NCC

Corona Virus Disease-2019(Covid-19) is a contagious disease caused by a virus. Severe acute respiratory syndrome corona virus 2 (SARS-COV-2) the first cases was identified in Wuhan -China in December 2019. The disease quickly spread worldwide-resulting in the (COVID- 19) pandemic. The symptoms of corona virus:-Fever, cough, shortness of breath vomiting, loss of taste or smell from cases are asymptomatic.

Corona virus is a group of RNA virus that causes diseases Mammals and Birds. In human and birds they cause respiratory tract infections that can range from mild to lethal. This is an ongoing pandemic of corona virus disease 2019(COVID-19) caused by severe acute Respiratory Syndrome. So the stop and spread of the virus certain guidelines are given to prevent it. So, the cadets of Dr.BRR Govt College has taken the initiative to make people aware of this pandemic and how to prevent by making posters, placards, videos and presenting it on social media platform like Instagram, YouTube, Face book, Whatsapp. This activity was done on 25-08-2020. 12 Cadets participated in this programme

DR. A.P.J. ABDUL KALAM BIRTH ANNIVERSARY

15-9-2020

Avul Pakir Jainulabdeen Abdul Kalam (15 October 1931 – 27 July 2015) was an Indian aerospace scientist and statesman who served as the 11th President of India from 2002 to 2007. He was born and raised in Rameshwaram, Tamil Nadu and studied physics and aerospace engineering. He spent the next four decades as a scientist and science administrator, mainly at the Defense Research and Development Organization (DRDO) and Indian Space Research Organization (ISRO) and was intimately involved in India's civilian space programme and military missile development efforts. He thus came to be known as the *Missile Man of India* for his work on the development of ballistic missile and launch vehicle technology. He also played a pivotal organizational, technical, and political role in India's *Pokhran-II* nuclear tests in 1998, the first since the original nuclear test by India in 1974.

Kalam was elected as the 11th president of India in 2002 with the support of both the ruling Bharatiya Janata Party and the then-opposition Indian National Congress. Widely referred to as the "People's President", he returned to his civilian life of education, writing and public service after a single term. He was a recipient of several prestigious awards, including the Bharat Ratna, India's highest civilian honour. While delivering a lecture at the Indian Institute of Management Shillong, Kalam collapsed and died from an apparent cardiac arrest on 27 July 2015, aged 83. Thousands, including national-level dignitaries, attended the funeral ceremony held in his hometown of Rameswaram, where he was buried with full state honors.

The Birth anniversary of Former Prime Minister of India Dr. APJ Abdul Kalam was celebrated by the NSS Unit-III under the supervision Dr. B. Sadasivaiah, Programme Officer by following Covid 19 safety measures. Dr. Appiya Chinnamma, Principal was attended as guest for the programme. Very few volunteers and Non-teaching staff of the college attended the programme.

Extension Activity **Adoption of School programme**

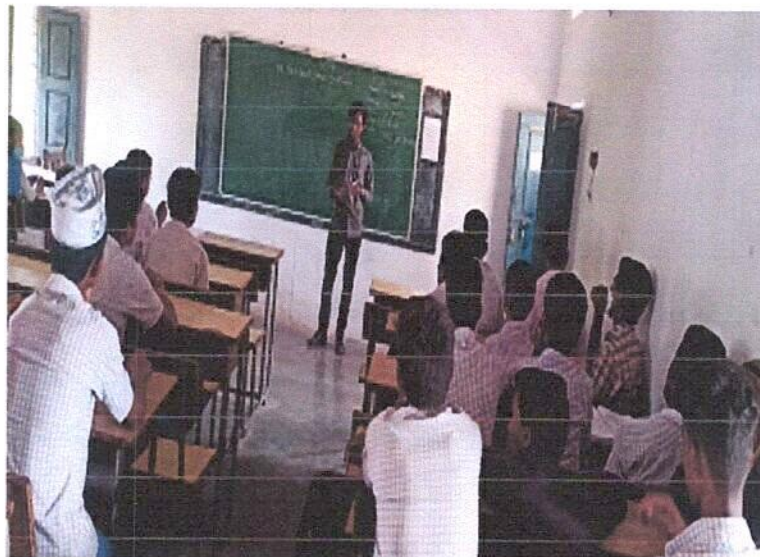

Date: 20-02-2021

Adoption of school programme is unique program designed on the basis of need analysis of the school. The goal is to provide an ideal environment that helps in the overall development of students. It gives a chance to students to acquire knowledge on various fields of education. College as well as school students are benefitted with this program. College students get practical knowledge on types of students in the class room and the techniques to be adopted to control such students. Increase the subject knowledge and confidence among the students. Theoretical knowledge is different and practical experience is different. From the college itself students try to improve their skills by participating in various extension activities. Every year certain students as a part of this activity approach school and take a class to the students there in their interesting subjects. This is like a "Teaching Capacity Building Workshop"

Students at school feel enthusiastic when their sisters and brothers approach them for a class and feel free to ask their doubts. Not only classes but the students can use any of the other facilities of college which are not available in their school. Such as Computer labs, Library, Garden, Ground and other infrastructure facilities.

PARAKRAM DIWAS

23-01-2021

NCC

Nethaji Subhash Chandra Bose born on 23-01-1897 in Cuttack of Odessa in a Bengali family. He succeeded Indian civil services examination with distinction but he demurred for the routine final exams and left England to return to India.

In 1921 Nethaji Subhash Chandra Bose joined the movement and Indian National Congress led by Mahatma Gandhi. Indian national Congress Nethaji Subhash Chandra Bose became international Congress President in 1938.

The central government has decided to observe "SUBHAS CHANDRA BOSE" Jayanthi as "Parakram Divas" to be celebrated on 23rd January. Subhash Chandra Bose, affectionately called as Nethaji was one of the most prominent leaders of Indian freedom struggle. The contribution of Nethaji is no less. He has been denied his rightful place in the annals of Indian history. He founded Indian national Army (Azad Hind Fauj) to overthrow British Empire from India and came to acquire legendary status among Indian masses. Cadets of Dr.BRR NCC, principal of Dr.BRR Govt College Dr.Appiya Chinnamma, vice Principal B.Ravinder Rao, ANO of NCC Lt.A.Yadaiah were the dignitaries present. Everyone present their paid homage to Nethaji and Guard of Honour was given.

Burgula Ramakrishna Rao Death Anniversary Celebrations

14-9-2021

NSS UNIT – III

Dr. Burgula Ramakrishna Rao (13 March 1899 – 15 September 1967) was the first elected and second Chief Minister of the erstwhile Hyderabad State. Prior to the independence of India and the political integration of the princely states into the Union, he was among the Telugu-speaking leaders to resist the Nizam in the princely state of Hyderabad. He was a multi lingual academic, known for his scholarship in Sanskrit and Telugu. He was also a poet and translator (his works may be cited). On his name only our college established.

Under the regular activities of National Service Scheme, the Unit –III celebrated Burgula Ramakrishna Rao Death Anniversary on 14-09-2021 in the college. Principal Dr. Ch. Appiya Chinnamma, NSS program officer Dr. B.Sadasivaiah, teaching, non-teaching staff members and Volunteers (5 members) paid tributes to him and garlanded his statue in the college. Later saplings planted in the Telangana Botanical Garden.

WORLD WILDLIFE WEEK CELEBRATIONS

2.10.21-8.10.21

Department of Botany

On the occasion of the world wildlife week celebration -2.10.21 to 8.10.21, The Department of Botany organised an extension Lecture to bring awareness to wildlife. A meeting was conducted under the chairmanship of Dr.Appiya Chinnamma. She said that Human beings should be discrete from wild animals. Dr.NagaRaju Scientist, BSI, Dr.Ravikiran Scientist, BSI, and Dr.Prasad from Yogi Vemana University are speakers in this program. The speakers educated and motivated the students on wildlife.

Dr. Nagaraju, a scientist at BSI, stated that human activities endanger animals in two ways: by destroying and harming the habitats where they dwell and by exploiting them in ways that are not sustainable.

Dr. Ravikiran, a scientist with the BSI, lectured that wildlife is a vital component of biodiversity and is vital to both human health and the health of the entire world. Every macro- and microorganism, whether it is an animal, a plant, or a fish, has an impact on every other organism in the interrelated ecological system in which we live. The natural environment of any creature can be changed without causing a dynamo effect; therefore the life cycles of many species are threatened by an ecological system that is out of equilibrium.

Dr.Prasad from Yogi Vemana University expressed that Humans can benefit from about 40,000 different types of animals, fungi, and plants. Our medicines come from wild plants, more than a third of them.

P. Srinivasulu, Head of the Department of Botany, thanked the resource people for imparting their knowledge to the participants. Departmental staff Dr. Sadasivaiah, K.Latha participated in the program.

Outcome: The attendees learned about the value of wildlife. They were motivated to respect wildlife by the speakers who were experts in the field.

The number of students attended: 56

HYDERA

Behave discretionary manners towards Wildlife

DR.CH APPIAH CHINNAMMA

Dr. CH Appiah Chinnamma, Principal of the Dr. Burgula Ramakrishna Rao government Degree College addressing in a meeting on Wildlife Week at Jadcherla on Tuesday

DECCAN NEWS SERVICE
MAHABUBNAGAR

Dr. CH Appiah Chinnamma, Principal of the Dr. Burgula Ramakrishna Rao government Degree College opined that that human beings and wildlife are a part of the environment and that environmental balance and sustainability are possible only through wildlife conserva-

tion. While she addressed in meeting on Wildlife Week organized by Dr. BRR college Department of Botany and Telangana Botanical Garden on Tuesday.

Dr. S. Nagraj, Botanical Survey of India, Kolkata, participated as the chief guest at the event. He made it clear that everyone should be prudent towards wildlife. Dr. A. Ravikiran, from the Botanical

Survey of India, Hyderabad, said that due to superstition, there is a lot of damage to wildlife.

He suggested that one should abandon the belief that good can be done by wearing tiger claws, deer skin, ivory, and ivory. Another keynote speaker, Dr. Prasad from Yogi Vemana University, said that conserving the biodiversity of the youth was like conserve the country's wealth and being aware of wildlife conservation.

After the event the guests were honoured with Shawls. Vice Principal Ravinder Rao, Internal Quality Assurance Cell Coordinator M. Srinivasa Rao, Head of the Department of Botany P. Srinivasu, Telangana Botanical Garden Coordinator Dr. B. Sadasiviah faculty members Lata, Jalil Ahmed, N. Subhashini, K. Subhashini, Venkat Reddy, research students and students participated.
