The screenshot shows the QuillBot Premium settings page. The browser address bar displays 'quillbot.com/settings'. The page features a sidebar with navigation options: Paraphraser, Grammar Checker, Plagiarism Checker, Co-Writer, Summarizer, Citation Generator, Translator, Chrome Extension, Word Extension, Help Center, and Contact Us. The main content area is titled 'Profile' and includes a user profile card for 'Nagarjuna Government College (A), Nalgonda' with the email 'nagarjuna.iqac@gmail.com'. The profile card also shows account management options like 'Change password' and 'Log out of all sessions', and subscription details: 'Premium subscription' with a note 'User since Apr 2023'. Below the profile card, there are sections for 'Writing Tools' (Paraphrasing Tool, Summarizer, Co-Writer, Plagiarism Checker), 'Free Grammar Tools' (Grammar Checker, Proofreader, Spell Checker, Punctuation Checker), 'Citation Tools' (Citation Generator, APA Citation Generator, MLA Citation Generator), and 'Company' information (Team, Careers, Help Center, Contact Us). Social media links for LinkedIn, Facebook, Twitter, and Instagram are also present under 'Get to Know Us'. The version number 'v14.72.1' is visible in the bottom left corner.

The screenshot shows the QuillBot Premium Plagiarism Checker page. The browser address bar displays 'quillbot.com/plagiarism-checker'. The page features the same sidebar as the settings page. The main content area is titled 'Plagiarism Checker' and includes a heading 'Ensure Proper Authorship & Citations'. Below the heading, a paragraph explains: 'QuillBot's Plagiarism Checker analyzes whether any section of your text did not properly attribute authorship to content already published on the web or in books, research papers, academic papers, or news sources.' A graphic with two speech bubbles contains the text 'नमस्ते' (Namaste) and 'Hola'. To the right of this graphic, the text reads '100+ Languages' and 'QuillBot can scan text in more than 100 languages, such as English, Spanish, French, Portuguese, Arabic, Russian, German, Greek, Chinese, and Japanese.' The version number 'v14.72.1' is visible in the bottom left corner.
