WORKSHOP ON YOUTH FOR SOCIAL IMPACT

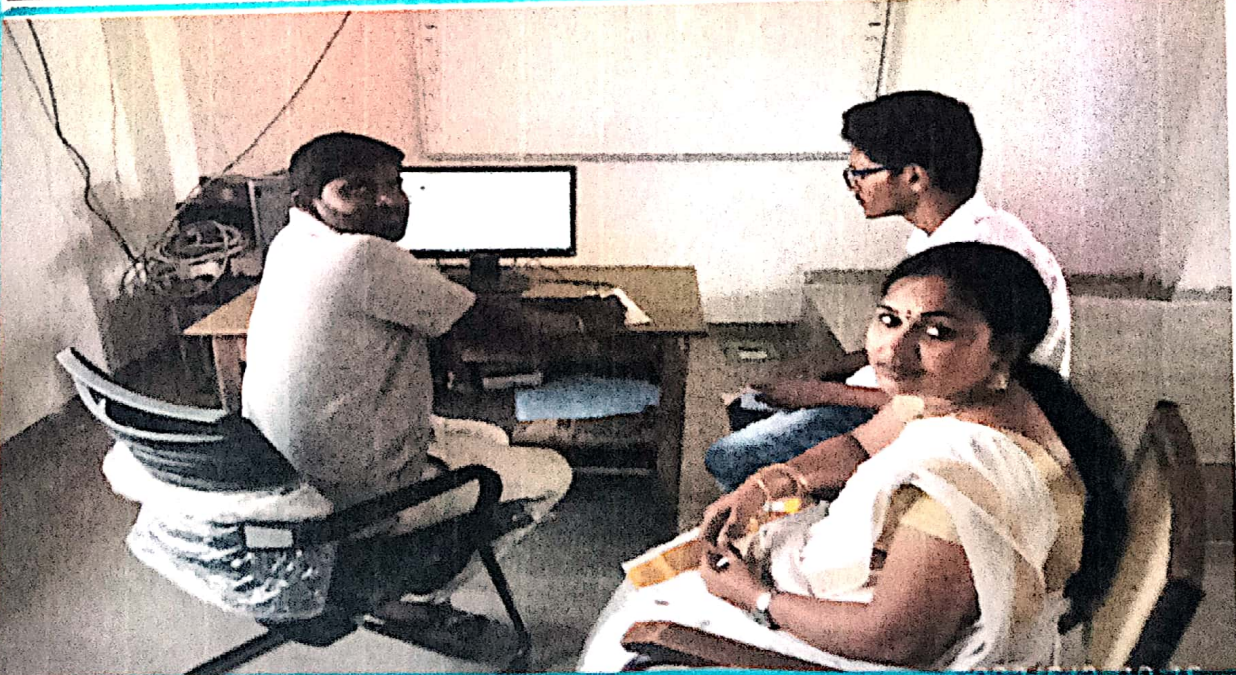

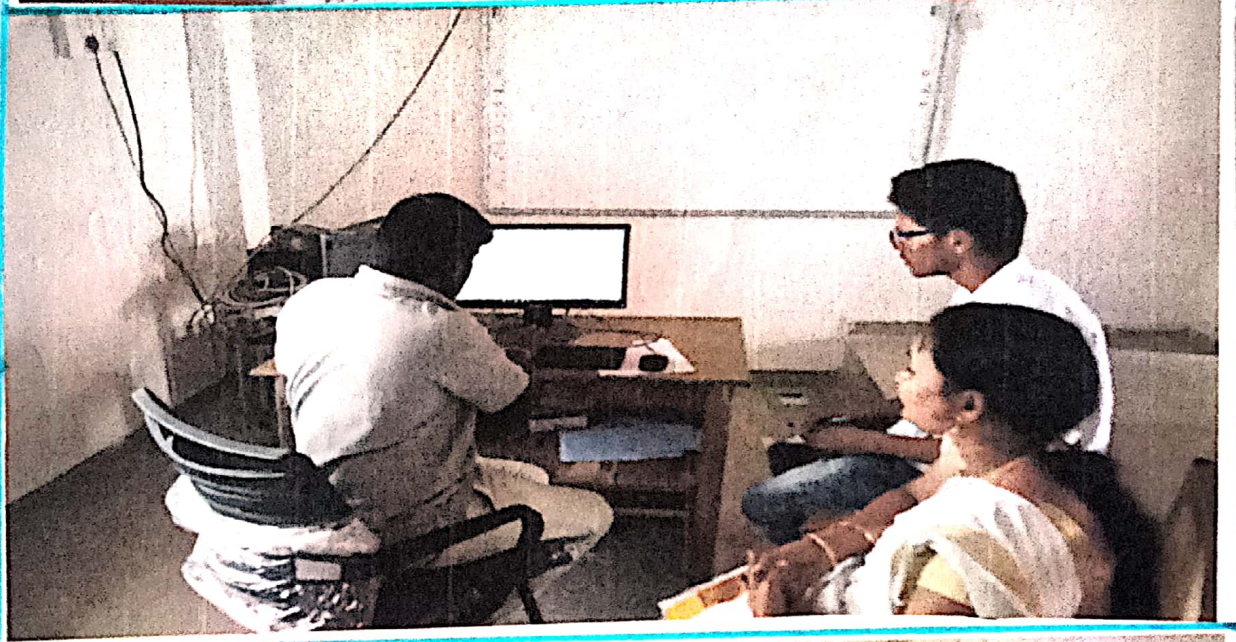

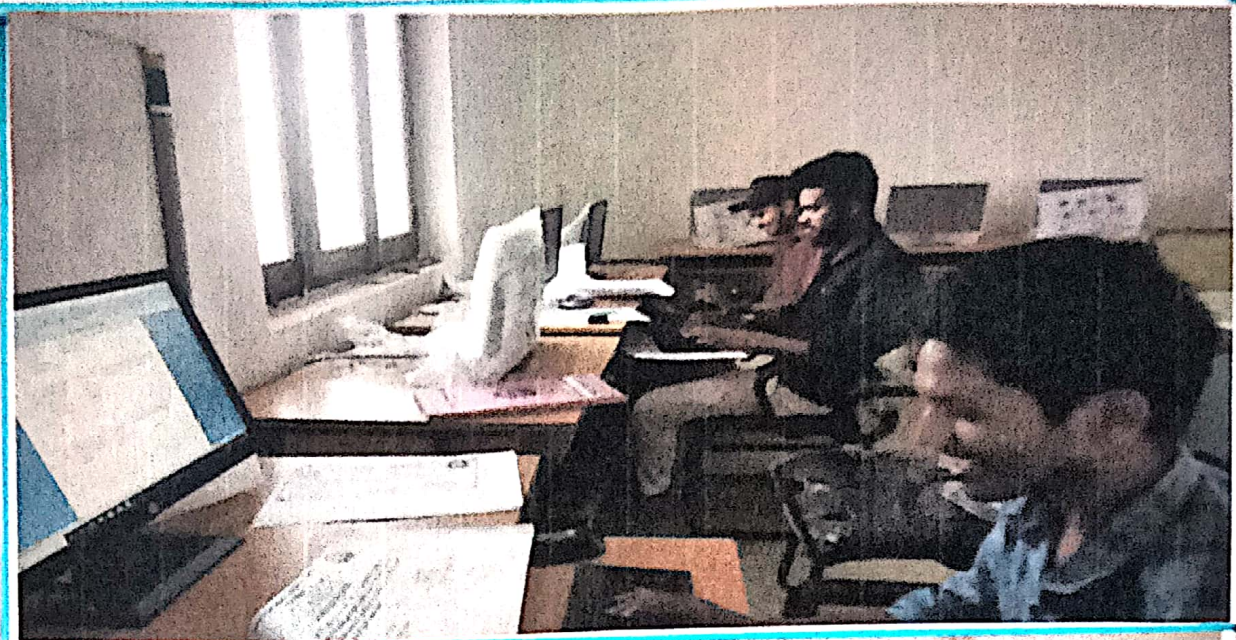

EDC Government Degree College Thosur, Organised a workshop on youth for social impact.

The aim of youth for social impact is building problem solving skills in youth to address gross sector problems by co-creating solutions and designing sustainable and scalable social innovations to create a social impact in Telangana.

In this workshop the EDC Co-ordinator 'Radhika' addressed the gathering of the students about the rules and regulations for social impact programme. She said to the students how to choose a social problem and how to find the solution to that social problem and prepare a innovative project to submit.

In this programme the principal advised to the students to think "lateral thinking" about the social problem.

All the staff and students participated in this workshop.
