

Government Degree College, Maripeda

Details regarding the library facilities available in the college:

Government Degree College, Maripeda has a small library. The total number of books is 504.

Library has books on various disciplines like arts, commerce, and science.

Text books on different subjects like physics, chemistry, zoology, botany, mathematics, political science, history, economics, commerce, telugu, and hindi are available in the college.

Library has good dictionaries in English and telugu for reference purpose

Books on general studies are available for the students preparing for competitive exams.

One telugu newspaper is available in the library. It is placed in the reading room which has a capacity of 30 members.

On the average about 5 books are issued or returned per day.

There is no full-time regular librarian in the college but one of the teaching staff is maintaining the library efficiently and catering to the needs of the students and staff.

To overcome the accommodation problem, we introduced on campus issue facility in which a book can be borrowed and returned on the same day. In case the book is lost, the borrower has to replace the same edition or the latest edition of the lost book. The library displays latest notifications regarding career opportunities. Thought for the day is written by staff on the reading room board every day.

Staff donated some books to the library most of the students come from rural area and belong to socially and economically under privileged sections of the society they can't afford to buy text books. Therefore, they make use of the text books present in the library.
