HITECH city known as Hyderabad Information Technology Engineering Consultancy city, is a prominent technology which is located at the centre of the information technology industry in Hyderabad. The township is spread over 151 acres the suburb of madhapur, Gachibowli, Kondapur, manikonda, Thelapur, Nanaksarngudu & Phaspu.

HITECH CITY

The IT Hub:

With the development of Bangalore as a prominent IT, the AP govt realized the importance of the need for better infrastructure so that the govt can attract investments from various companies. The first phase of HITECH city, cyber Towers was inaugurated in Nov-1998.

The second ~~to~~ phase, cyber Gateway is known as for a huge arch in front of building which also serves as a gateway to the rest of the city.

Infrastructure:- The construction of HITECH

city is one of the biggest technological

revolutions of Hyderabad. In the middle of

the park stands a ten storeyed cylindrical

shaped building which houses the office

of IT giants such as Microsoft, IBM.

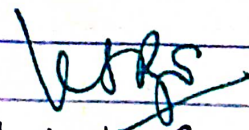

Toshiba , klipso Oracle so on.
