

ABOUT NSS

The National Service Scheme (NSS) was launched in the year 1969, also Mahatma Gandhi's birth centenary, in 37 universities with the primary goal to let community services become a source of personality development of student volunteers. As of today, the scheme runs in all Indian states and universities under the guidance of the Ministry of Youth Affairs and Sports. Its motto, '**Not Me But You**' helps students prioritize their community above themselves, and assists them in including it in the problem-solving process.

The NSS units of Government Degree College Chanchalguda, Hyderabad has been extensively working to promote a holistic development environment for its student volunteers in preparation of their future, with an emphasis on community services.
