CAREER GUIDANCE AND PLACEMENT CELL REPORT

2020-2021

The Career guidance and placement cell of the college functions with the objective of providing guidance and assistance for the studious to achieve their career goals. It provides awareness on Higher Education or studies, self-employment and Job opportunities. The works under the guidance of Sri. M. Samanth Reddy

The Principal and faculty extend their whole hearted support to the functioning of the Cell. The Cell is established to provide career opportunities in various fields. The important objectives of the cell are:

OBJECTIVES:

1. To provide opportunities for higher progression.
2. To provide training for CV preparation and interview techniques.
3. To imbibe the employability skills through guidance talks, workshops and seminars.

THE AIMS OF THE PLACEMENT CELL:

To place the student in competitively good companies by identifying their knowledge skills, attitude matrices of every individual student, creating job profiles for them, identifying areas of training at various methods as per the training requirement, formulate sequence of activities to meet the training schedules for appropriate placement.

VISION : Transferring every students dream into reality

MISSION : To empower students to meet challenges

Guide the students in developing skills and job search strategies required to achieve their career objectives. Identify suitable potential employers and help them achieve their hiring goals. Organize activities concerning career planning Act as a bridge between Students and Employers.

BENEFITS OF A QUALITY PLACEMENT FOR STUDENTS

From the student perspective, high quality placements can bring a range of benefits and positive impacts. There is a strong evidence to suggest that placement, and work experiences are extremely valuable to student, both in terms of their employability skills.

Placements give students, about future career choices increased understanding about future career choices increased understanding and awareness and ability to articulate skills and achievements. Placements provide the opportunity to the involved in team based working,

which provides a welcome, contrast to the typically more individual centric apparent taken to academic study. This kind of experience is beneficial and builds on the self-management and problem solving skills with the ability to work collaboratively.

During the academic year 2020-2021 various programmes were conducted to provide information to students about placements and job mela.

AWARENESS / ORIENTATION PROGRAMS FOR THE JOB

The prime objectives of awareness / orientation programs is to create awareness about “Career Planning” and “Career Mapping among the students”.

To train the students to meet the expectations of their career development programs. To recognize the core competencies of the students and to look for 100% employment for all the registered students for college placements. To enhance their communication skills and give orientation on aptitude test, reasoning and interview skills. Personal Branding through Resume.

This plays a major role in shaping up the career goals of students, it is dream of every student to get placed in top companies for final placements. Keeping this key aspect of awareness / orientation, it is realized that building competencies is pivotal for the young talents to enhance their employability skills and achieve a good career path.
