

7.3. INSTITUTION DISTINCTIVENESS

7.3.1 TSKC ACHIEVEMENT

The college has undertaken plentitude of intellectual works in the flagship of TSKC – Telangana Skill and Knowledge Centre-Telangana.

College education is not learning many facts but the training of the mind to think – Albert Einstein. Facing irreducible complexity and uncertainty in the social, economical, political, environmental and technological domains of present time. TSKC members have made an effort to bridge the skill deficit in critical thinking, career enhancing skills, prepare students to face the challenges of workplaces and personal development. After the training programmes conducted by TSKC before placement, the student is developing the ability to “THINK WHILE DOING”, embrace uncertainty, deal with emergent novelty, give a creative expression to complex developments. Training in critical thinking, aptitude training, orientates learners to appreciate a complex situation, resist temptations, make quick judgements and advance over simplified solutions. TSKC makes students, job ready with various companies offering jobs. Many students bagged placement in renowned companies in this academic year 2022-23, which in itself is a great achievement.
