## Feedback Analysis Report : 2022-2023

The student satisfactory survey analysis on teaching learning process for the year 2022-2023 is done. 420 students of different groups and varied classes have participated in the survey.

1. 20 attributes questionnaire in both languages Telugu and English from taken for student satisfactory survey on teaching for every teaching faculty.
2. Five ratings are provided i.e 1. excellent 2. very good 3. good 4. average 5. poor.
3. In the analysis we found that most of the students have rated excellent for the all attributes, some students expressed very good & good i.e coverage of syllabus and the remaining mentioned very good of the column (attribute) one.
4. For the column number 10 and 11 regarding field visit and library, some student expressed poor and average but most of the students satisfied with college teachers performance.
5. Most of students have rated very good and some students have rated good in respect of teaching methods and models
6. Regarding the teacher student relations most of the students have mentioned very good and some of the students have rated good
7. Overall performance of the teachers in extending their services is very good.

### **Action Taken Report on feedback : 2022-2023**

The college has formal mechanism for obtaining feedback from students on the teaching learning process

Majority of the students have expressed their complete satisfaction by rating excellent and very good in case of coverage of syllabus clarity of expression and depth of the content of the subject.

However it is also noticed rating average, very good and good for to certain attributes in respect of class room models methods of teaching and certain infrastructure facilities. Relevant steps have been taken by motivating the teaching faculty and improving infrastructure facilities to raise to the higher levels and in respect of the attribute field trips and library facilities provide need based for the four coming years.
