# INTRODUCTION

## YOUNG INDIA

India has more than 50% of its population below the age of 25 and more than 65% below the age of 35. At All India level 58.3% graduates and 62.4% of post-graduates are unemployed due to non-availability of jobs matching their education skill and experience.

## YOUTHFUL TELANGANA

As the twelfth biggest state in the country, Telangana has 52% of youth population. But according to the "UNEMPLOYMENT IN INDIA - A STATISTICAL PROFILE" prepared by the **Bombay Stock Exchange (BSE)** and **Center For Monitoring Indian Economy (CMIE)**; among youngsters in the 20-24 age group the rate of unemployment is highest at a whopping 39.07%, more than double the state average among 25-29 age group youngsters it is 16.11%.

## NEED OF THE STUDY

- 1) TO find another alternative career for youth aspirants.
- 2) TO build a youthful democracy in India.
- 3) TO make youth participate in formal decision-making.
- 4) TO have better citizenship, Politics is one of the best tool
- 5) TO involve youth in Politics leads to civic engagements that i.e., Service to the community.
- 6) TO find solutions to the problems faced by today's Generation, as Politics is a tool of action for development.

### ఎన్నికలతో నిమిత్తం లేకుండా...

మనదేశ జనాభాలో అత్యధికంగా ఉన్న యువత బాగస్వామ్యం రాజకీయాల్లో పెరగాలనే ఆశాక్షతో పాలిటికల్ ఇంటర్నెషివలను శ్రీకాకుళం ఎంపీ కింజరాపు రామ్మోహన్ నాయుడు ఆరంభించారు. ఎన్నికలతో నిమిత్తం లేకుండా ప్రజాసమస్యల పరిష్కారానికి యువత ఉపయోగపడాలని తాను మెంబర్ గా వ్యవహరిస్తూ వీటికి శ్రీకారం చుట్టారు.

దేశవ్యాప్తంగా 16 రాష్ట్రాల్లోని 47 కళాశాలల నుంచి 210 మంది దరఖాస్తులు పంపితే వారిలో 18 మందిని ఎంపిక చేసుకున్నారు. ఈ ఏడాది మే-జూలై మధ్యకాలంలో వీరు ఇంటర్నెషివలను కొనసాగించారు.

జూలైలో ముగిసిన తొలి ఇంటర్నెషివ్లు ప్రయోజన కరంగా ఉన్నాయి. వచ్చే వేసవిలో మరోసారి ఇంటర్నెషివలను నిర్వహించాలనుకుంటున్నాం. విభిన్న నేపథ్యాలకు చెందిన 20 మంది యువతీయువకులను ఇంటర్నెలుగా తీసుకుంటాం. పొందూరు జూడీ, టూరిజం ఆభివృద్ధి మొదలైన స్థానిక అంశాలతోపాటు ఇతర ప్రజా సంబంధ సమస్యల అధ్యయనం, పరిష్కారాల్లో వీరు బాగస్వాములౌతారు.

దరఖాస్తుదారుల కోసం నెలరోజులముందే ఇంటర్నెషివల సమాచారాన్ని నా పేస్ బుక్, ట్విటర్ పేజీల్లో ప్రకటిస్తాను.

- కింజరాపు రామ్మోహన్ నాయుడు

## OBJECTIVES OF THE STUDY

- 1) TO identify and Popularize the idea of building a political Career for aspirants.
- 2) TO find a career, you can opt, while studying by becoming an intern in a political organization.

- 15) Artists.

## CONCLUSION

Through the study on politicians we have concluded that, politics cannot become a career to Indian youth as politics is an insecure field. But yes, youth should come into politics with commitment and service mindedness, Financial security is essential before entering into politics. From student stage itself aspirants should start social service and then get into politics, the ideal age is 25-30, Hardwork, Patience, honesty, Sincerity, truthfulness, ethical vision, conviction, concern for people, commitment, goal orientation are the qualities required for the youth to become a politicians. Youth should clean up the political arena with a mission and determination. As we have suggested there are many employment opportunities based on political field which can be utilized by youth presently for their pocket money and build it as a career for their future.
