Physical, Academic and Support Facilities Available in the Institution

Procedures and policies for maintaining and utilizing physical, academic and support facilities like laboratory, library, sports complex, computers, classrooms etc are the very important to sustainable development on every educational institution. The policy of the Institution is to provide adequate infrastructure that facilitate teaching and learning. Accordingly, the institution is providing necessary infrastructure for the smooth run of academic activities for every academic year. This institution has a committee to review the physical infrastructure which meets periodically. The committee suggests policies and initiatives to be taken by the institution. The institution also gives priority for the creation and enhancement of infrastructure in annual budget allocation. The college was shifted from the old premises to the newly constructed building . The new building has two floors, one ground floor and one upstairs. Each floor has 08 rooms. These are spacious well ventilated and well furnished rooms in all. In this building Principal chamber, Library, net facility centre and class rooms are running. It has the academic and physical facilities with total campus area of about 6.25acares, 18 class rooms , 08 laboratories of different science subjects , 03 class rooms with LCD facilities. This college is upgraded technologically (with band width 10MBPS) with 30 computers , 02 computer labs with internet hence 01 browsing centers and in 10 various departments . We are providing Library services constantly to all the students by issuing text books and reference books and facilitating journals. To develop and monitor academic and physical facilities of the institution, the following committees are functioning under the supervision and suggestions of IQAC committee, Laboratory and Library books purchase committee, and Furniture committee. For the optimum utilization of the resources in the institution, various committees have been constituted comprising the Principal as the Chairman, senior members of the faculty as Conveners and other teachers as members. These committees meet on regular basis to discuss issues related to their respective committees so as to ensure the optimum utilization of the facilities on campus. In order to utilize the facilities to the maximum extent, representatives from students are nominated as members in each of these committees. Healthcare facility is available to the students. The services of the doctors available locally are utilized to create health awareness among students. The in-charge of each facility for library science and Physical director maintains stock and

accession registers. These registers are verified annually by the Annual Departmental Verification Committees. These Committees are constituted by members of faculty related to other departments. By that way the institution has facilitate the physical, academic and library to the students for their better future.
