DEPARTMENT OF COMPUTER SCIENCE

2021-22

ABOUT THE DEPARTMENT

Computer Science restructured course was introduced with combination of Mathematics and Physics in the academic year 1998-99 (and another course with Mathematics, Statistics in 2018-19 & another course with Mathematics, Chemistry in 2020-21, Botany, Zoology in 2020-21) as per the guidelines of Director of Collegiate Education, Telangana . Department of Computer Science is initially established in the same year by the in charge of the department Sri SriRam Murthy Garu, Lecturer in Physics under the Principal Sri T.Narayana Swamy Garu. Later, MD.Iqbal Ahmed, incharge of the department, and present incharge Sri Naveen Moola. and SP.Venkata Ramana, Contract faculty, developed the department by manifolds during the subsequent year. Now the department is fully equipped with modern systems with Internet facility and accessories. The department produced many software analysts, post graduates and Government Employees in many sectors.

PROFILE OF THE STUDENTS

The students admitted into the U.G. Programme having Computer Science as one of the optional subjects hailed mostly from rural background of the first generation of literates. They shuttle to the college from nearby villages on corporation (R.T.C.) buses by taking seasonal passes. Being Government College admissions are given according to the reservation quota as per the government rules. Moreover, most of the students seeking Mathematics, Computer Science combination come from leftover of EMCET (Engineering Entrance candidates). I.Q. level of the students is less than those who are admitted in the professional colleges admitted by entrance test.

Most of the students get government scholarships for pursuing their studies under the different categories like S.C., S.T., B.C. and also merit scholarships. After admission they pickup due to various steps taken by the department like participating in seminars, student projects and remedial classes. Due to these steps percentage of passes varies between 60% to 90%.
