### **INSTITUTIONAL DISTINCTIVENESS**

To provide & ensure quality-based and value-based education to the rural area and economically poor students. The vision of our college is based on the preamble **"Come to learn- Leave to serve"**. The Performance of the College is distinctive to its vision, priority and thrust: The other remarkable distinctiveness of this institution is to provide higher education to the rural students on par with the urban students. By making continuous efforts, the students develop curiosity to study Higher Education. Because of this distinctiveness, many of the students have been getting the benefit of continuing their studies and settling in their lives in the comfortable positions. All measures are taken to enable the students to learn life skills and build a strong future.

Our College is equipped with best infrastructure and lab facilities. For improved learning among students, various co-curricular activities are conducted are involved in student's seminars debates, and group discussions. Workshops and seminars are conducted to inculcate creativity and enhanced learning abilities. The vast collection of reference books is a treasure of knowledge. Our library is equipped with INFLIBNET and SOUL.

Slow learners are identified and classes are arranged for them in extra hours. Quick learners are involved in activities to excel students are involved in study projects, certificate courses, and other value-added courses.

Study for entrance exams of PG courses and for job-oriented exams. Most of our outgoing students join universities including Central Universities. Our alumni are employed in all private and Govt. sector that attracted students to join our

college from all the neighboring districts. We also go to higher officials for enrollment. Hence it is evident that our vision is fulfilled and we will add and strive for improvement and betterment of stakeholders.

We believe that college life is not all about academics, games, friends, and fun. It is also about learning to interact with other people, being aware of social, environmental and gender issues, and inequities in the society. We provide an opportunity to every student to contribute to make the society in which they live a better place and to grow as better individuals.

The college has organized a number of activities throughout the year in line with the Vision and Mission statement of the college. Almost all the Classrooms have OHP and the classes are taken using power point presentation, videos etc. The rapport between the staff and students in the college is very good and it has a positive bearing on student's performance. Notable among them are career guidance initiatives that help students get the skills. The Personality development of the students is stressed a great deal. As a result, the natural hindrances that come in their way of academic performance are removed and the students are instilled with greater confidence.

Our responsibility is to develop morally upright citizen capable of thinking, learning and striving for national development. Creation of Self-reliant Centre of Excellence that imparts Knowledge and develops the Right Values, among the students is the target of the institution. Our curriculum is not enough to enhance skills among the learners & enable them to compete with the global situation. The institute has brought changes in the framework and its curriculum to deliver Value Based Education.

One of the visions of the institute is to make the holistic development of students. The students should be able to think, learn and strive in the society. They should have the potential to render their services for the development of society and Nation.

**Special Curricular and Co-curricular Activities:** The positive aspect of this educational institution is that it has been trying rigorously and passionately to provide quality education to the students that includes academic excellence and

soundness in human values. The institution allows all the students to acquire the modern skills and soft skills to the global employment scenario.

To strengthen the students in job required skills and computer skills, all the students of all streams irrespective of B.A., B.Com., and B.Sc. are trained, with the coordination of TSKC, Computer labs and the department of English. The Yuvatharangam, the flagship programme initiated by the Department of Collegiate Education, Telangana State acts as a platform for the students to showcase their special skills and abilities in sports, games and literary and cultural activities. The Jignasa-Student Study Projects, another flagship programme trains the students in student projects and provides exposure to them in the research-related activities. More importantly, well-qualified, experienced, committed teaching and non-teaching staff is an asset to the college.
